CHAIR'S MESSAGE FOR 2017-2018

We have been extremely busy with the Board and Members working with the new governance model. Dramatic changes can be difficult especially after years working with a completely different model. The Board has adapted well. I believe there is a steady and positive progression throughout the Members. It gives me pleasure working as a team for the betterment of our participants and the game.

Not only have we concentrated on governance, but we also continue to examine the rules and regulations that are necessary to provide and promote fun, safety and skill development. We must offer programs that respect those who play, coach, and officiate, as well as the many others involved both on and off the ice - our wonderful volunteers.

The introduction of the mandatory Initiation Program is a big step forward. Comments from Members and parents indicate acceptance and support for this move. The cross ice game permits a young player to participate actively with much more involvement in playing the game. This also provides an opportunity to work on and develop skills. More importantly, players are having fun.

We remain a power house and leader on the world stage. The male and female programs continue to dominate the sport. A most pleasant addition to our world successes is the performance of the Sledge team. We are so proud of their accomplishments and the professionalism displayed at world events. It was special to watch the team win Gold. How proud we are when the Canadian flag is raised to the rafters.

My thanks to the Hockey Canada Board, the Members and their staffs, the Hockey Canada staff and especially the many volunteers who make us a sports leader in Canada and the world. Your dedication, loyalty and commitment are priceless. Thank you again and again.

I hope to see you in an arena and send best wishes for the season.

Joe Drago
Chair of the Board

APPENDIX K1 - IIHF INTERNATIONAL TRANSFER REGULATIONS

I The International Transfer Card (ITC)

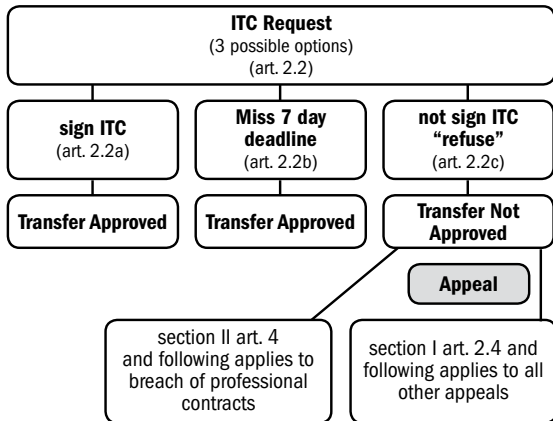

1 General Information

- 1.1 All Players - Men or women - who wish to move from one country, irrespective of whether or not they are registered with the member national association of that country, to the member national association of another country to compete in a competition under the jurisdiction of the member national association which leads to a champion being named are required to apply for a transfer by means of the IIHF transfer card. All Players under 18 years of age may be transferred by means of a letter of approval (refer to section I, article 4 of these regulations for these procedures).
- 1.2 A valid international transfer card (ITC) must be properly completed and signed by the Player, by the former member national association, by the new member national association and confirmed by the IIHF. All information on the transfer card must be properly completed before it can be processed and approved by the IIHF.
- 1.3 The transfer becomes valid on the date of the IIHF confirmation. From that date the Player is under the jurisdiction of the new member national association. The member associations concerned will receive a copy of the ITC confirmed by the IIHF. The Player may start to play for his new Club only when the new member association has received the approved ITC confirmation from the IIHF office.
- 1.4 In the case of a Player playing without a valid ITC, the new member national association, the new Club, the Player and if applicable the new League shall be subject to disciplinary procedures of the IIHF as set out in section III of these regulations.
- 1.5 Every member national association shall organize its internal transfer procedures by issuing regulations. A member national association's internal regulations shall, however, not stand in contradiction to the IIHF Transfer Regulations.

2 The Transfer Procedure

- 2.1 The Player transfer procedure must be prepared first by the negotiation of the two Clubs concerned if the Player is under contract or the negotiation of the new Club and Player if the Player is not under contract. Items to negotiate include the length of the new contract and the corresponding length of the transfer. Following an agreement to transfer the Player, the new Club to which a Player wishes to transfer must begin the transfer process by acquiring and completing the ITC with the details and signatures of the Player and the new member national association and must immediately inform the former Club and send the ITC by way of the new member national association to the former member national association for their approval.
- 2.2 a) Within 7 days of receiving the ITC, the former member national association

- shall inform the former Club and forward the signed ITC to the IIHF office, or submit a Refusal with the corresponding reasons for the refusal of the transfer and with all relevant evidence to the IIHF office.
- b) If the IIHF office does not receive any reply within the 7 day period or receives a refusal of the transfer without clear reasons, it will be regarded as an approval of the transfer.
 - c) The former member national association may only refuse to sign the transfer card if:
 - 1) the Player is a signed professional Player currently under a professional Player contract (refer to section II article 4 for appeal procedures);
 - 2) the Player wishing to transfer has not fulfilled his contractual obligations to his former Club (all contractual obligations other than those involving signed professional Player contracts) (refer to section I article 2.4 and following for appeal procedures);
 - 3) the Player has not fulfilled financial commitments to his former Club such as debts or has not returned the Club's equipment (refer to section I article 2.4 and following for appeal procedures); and
 - 4) a material reason between the two Clubs regarding the Player transfer exists other than issues concerning compensation (an example of a material reason is the existence of a confirmed suspension or pending disciplinary proceeding by either the IIHF or by the Player's member national association when such suspension is recognized by the IIHF) (refer to section I article 2.4 and following for appeal procedures).

- 2.3 If the transfer is refused by the former member national association the IIHF office will immediately inform the new member national association with a copy of the objections as submitted by the former member national association. The new member national association is responsible to inform the new Club and the Player about the refusal.
- 2.4 The Player is entitled to submit a Response to the former member national association's Refusal within 7 days of receiving such Refusal. In responding, the Player must provide the reasons for his transfer with all relevant evidence and address the objections submitted by the former member national association. See article 2.1 and 2.2 for specific transfer procedures.
- 2.5 If within 7 days the IIHF office does not receive any objections against Refusal and corresponding reasons for refusal of the transfer from the Player, it will be regarded as withdrawal of the transfer application.
- 2.6 The IIHF General Secretary shall assess whether it is necessary to provide both the former member national association and the Player the opportunity to provide further documentation subsequent to the initial Refusal and Response. The IIHF General Secretary may grant longer deadlines for submitting a Refusal and a Response when special circumstances warrant such. If objections are received from either the Player or the former member national association, the case will be investigated and decided by the IIHF General Secretary on an expedited basis. His decision may be appealed to the IIHF Executive Committee within seven days by the Player or the former member national association.
- 2.7 No hearings will be conducted and thus the IIHF General Secretary will make his decision based on the written arguments and evidence provided by the parties.
- 2.8 The IIHF General Secretary will approve the ITC should he ascertain that no reason provided in section I article 2.2(c) of these transfer procedures exists.
- 2.9 Decisions of the IIHF General Secretary may be appealed to the IIHF Executive Committee within 7 days. Such decisions shall remain in effect and shall not be stayed pending outcome of the appeal.
- 2.10 A party wishing to appeal the General Secretary's decision shall submit his appeal brief together with the grounds for such appeal (appellant may object to inaccurate representation of the facts and/or wrong application of the law and/or wrong interpretation of facts/law and/or improper procedures) to the Executive Committee, along with CHF 1000. The IIHF will automatically deduct the CHF 1000 from a member national association's account if the fee is not paid within 10 days of the start of the appeal procedure.
- 2.11 Once received, the appeal brief together with the grounds for such appeal shall be forwarded to the opposing party. The opposing party shall have 7 days in which to provide a response brief to the petition of appeal together with CHF 1000. If the opposing party does not provide a response brief within 7 days, the Executive

Committee will make a decision on the appeal without the opposing party's arguments against such appeal.

- 2.12 The Executive Committee reserves the right to allow each respective party to submit further briefs and corresponding responses. A longer deadline may be granted after written request when special circumstances demand such.
- 2.13 Once the Executive Committee receives the opposing party's response brief or the 7 day deadline for the submittal of such brief has lapsed, the Executive Committee will make a final decision on an expedited basis. The Executive Committee will refund the CHF 1000 fee to the winning party. (The Executive Committee maintains wide discretion in the refunding of the appeal fee, such that if an original decision is reversed due to a significant amount of new evidence introduced in the appeal brief(s), the Executive Committee maintains the right to not refund or refund only a portion of the CHF 1000 fee.) The Executive Committee will not refund the CHF 1000 to the losing party. The Executive Committee will use the losing party's fee to cover the costs Associated with the appeal procedure.
- 2.14 Decisions of the IIHF Executive Committee may be appealed to the Court of Arbitration for Sport in Lausanne (according to IIHF Statutes & Bylaws). Time limits for such appeals shall be in accordance with the Code of Sports-Related Arbitration. The appeal decision shall remain in effect and shall not be stayed pending the outcome of the appeal.
- 2.15 Any party deemed by the IIHF office to have raised an unsubstantiated objection to a transfer may be referred to the Disciplinary Committee for possible sanction.

3 Limited and Unlimited Transfers

- 3.1 International transfers may be marked limited or unlimited. A limited transfer restricts the Player's playing rights to a specific Club and for a specific duration.
- 3.2 The duration of a limited transfer shall be negotiated and agreed by the new Club and the Player and may be for any specified period of time. A limited transfer card must be for a period which specifically corresponds with the duration of the new Player contract. An unlimited transfer application must be accompanied with a completed 'Unlimited Transfer Card Request' included in these regulations.

If no exact duration is specified on the ITC, the transfer will automatically terminate on June 30th for the Northern Hemisphere and August 31st for the Southern Hemisphere of the current Season, returning the Player to his former member national association on that date.

- 3.3 If a Player who has obtained a limited transfer wishes to play for another Club within the new member national association, he must obtain written approval from the former member national association. A copy of such written approval must be filed with the IIHF before the Player may begin to play with the new Club.

- 3.4 If a Player wishes to return to his former member national association before his limited transfer automatically expires, a new unlimited ITC must be processed following these regulations. For such transfers the Unlimited Transfer Card Request does not need to be completed.
- 3.5 If the term of a limited transfer is to be extended, a new ITC must be processed following these regulations.
- 3.6 If a Player wishes to transfer to a new member national association during the duration of his limited transfer, a new ITC will be required. The new ITC shall be approved by the national association in which the Player is currently playing. Written approval is required from the former national association which originally approved the limited transfer. The duration of the new limited transfer must be consistent with the duration of the new Player contract.
- 3.7 If the ITC when received by the IIHF office is not marked limited or unlimited as to duration, it will be regarded as a limited transfer and will expire on June 30th of the current Season.
- 3.8 If a new member national association has a complaint against a Player who has played in that national association during his limited transfer, then the complaint must be lodged in writing with the Players former member national association and the IIHF within 15 days of the expiration of the Player's limited transfer. All member national associations are required to respect and uphold all other member national associations valid and reasonable sanctions.
- 3.9 If the international transfer card is specified and signed as unlimited, the Player becomes a full member of the new member national association and any future international transfers may be approved only by his new member national association.
- 3.10 A Player who has obtained a limited transfer and wishes to change the transfer to an unlimited transfer during the period of the limited transfer may do so by following the procedure outlined in article 2. As a matter of clarification, such a request shall be considered as a new International Transfer Card request.
- 3.11 The transfer deadline for Northern Hemisphere Member National Associations is 23.59h (CET) on February 15 of the applicable Season. The transfer deadline for Southern Hemisphere Member National Associations is 23.59h (CET) on July 31 of the applicable Season. Should the deadline date fall on a weekend; the deadline date will become 23.59h (CET) on the Monday immediately following the weekend. The IIHF must receive the completed and signed original ITC via mail or a copy via fax or email by the transfer deadline. Players transferring on the transfer deadline or before must cease playing with their former member national association Club once the IIHF confirms the transfer.

4 Transfer of Players Under 18 Years of Age

- 4.1 A Player under 18 years of age is permitted to transfer from one member national association to another by a letter of approval from his former member national association. This letter of approval must be marked limited or unlimited. The duration of the limited letter of approval may not exceed the end date of the Season during which the Player reaches his 18th birthday.
- 4.2 A copy of the letter of approval must be filed by the new member national association with the IIHF office and the former member national association. The transfer becomes valid once the IIHF office receives the completed and signed letter of approval.
- 4.3 If a Player does not receive such approval from his former member national association and wishes to appeal this refusal, section I article 2.4 and following (The Transfer Procedure) will apply, unless proof is shown that the Player is under a Professional Player Contract in which case section II article 4 (Appeal Procedure for Breaches of Professional Contracts) will apply. A former member national association can only refuse to sign a LOA if one of the four reasons in section I article 2.2(c) exists.
- 4.4 A Player who was under 18 years of age and obtained an unlimited transfer from one member national association to another by letter of approval only, then upon reaching his 18th birthday the letter of approval substitutes as an unlimited ITC.
- 4.5 Player Eligibility Application Assistance:

Player eligibility requests by national associations for Players who were either born in their country and never moved away or moved from one country into their country under the age of 18 years and cannot be tracked through the International Transfer System may apply for eligibility to the IIHF with original documents, translated into English where necessary, and including original signatures, dates and stamps.

The Player would need to have participated for a minimum of two years within the new national association without having played in any other country during this time period.

The following documents must be submitted with the application:

- An affidavit from both Parents declaring residency for the period in question
- Signature and stamp on a affidavit from the new national association confirming participation by this Player and specifying the exact dates of participation
- Stamped and signed residency papers from the municipality for the period in question
- School records for the period in question
- Approved game sheets for the period in question

Plus two of the following three items must be submitted with the application:

- School principal signature on original school letterhead confirming attendance in their school for the period in question

- Family Doctor's signature on original medical office letterhead confirming residency for the period in question
- Lawyer signature on original lawyer office letterhead confirming residency for the period in question

Application must be made to the IIHF General Secretary at least four weeks before the competition. At the same time, a copy of the Player eligibility application must also be sent by the new member national association to the former member national association.

5 Transfer of Players under Contract

- 5.1 During the period of an existing contract a Player shall not be approached by an official of any other Club, or by a person in connection with any other Club, in membership with another member national association or League with the goal of inducing the Player to breach his current contract and to join a new Club.
- 5.2 A Club wishing to contract the services of a Player who is at present under contract with another Club shall be obliged, before commencing any negotiations with that Player, to inform his current Club in writing of its interest.
- 5.3 All IIHF member national associations, their Leagues, and Clubs must respect all existing and valid contracts of Players playing in member and non-member organizations. The movement to an IIHF Club of any Player, who is under a valid and binding contract (professional or otherwise) with a Club of a non-member organization, cannot occur until the necessary Releases have been provided by the Club of the non-member organization. It will be the responsibility of the IIHF member national association in the country of the non-member organization to notify the IIHF of any alleged breach of this requirement. Upon IIHF receiving notice from any member national association of a breach of this clause, it will investigate the alleged breach to determine further actions.
- 5.4 Breach of article 5.1, 5.2 or 5.3 will be referred to the IIHF Disciplinary Committee and could result in restrictions on or disqualification from IIHF activities or other sanctions.
- 5.5 The transfer of a Player during the term of his contract will not be subject to any restrictive regulations, provided that an agreement is reached between all three parties concerned (the former Club, the Player and the new Club). However, the transfer procedure as set in section I, article 2 shall be applicable.
- 5.6 A Player may be transferred during the term of his contract, for a limited period of time, provided that an agreement is reached between all three parties concerned (the releasing Club, the Player and the receiving Club). During the period of such limited transfer the Player will be under the jurisdiction of the new member national association. After termination of the limited transfer the Player shall continue his contractual obligations to his former Club. The transfer procedure as set in section I, article 1 shall be applicable.

- 5.7 With respect to the IIHF transfer procedures, unless proof is shown through national laws to the contrary, the IIHF will view 18 years of age as the legal age of majority for contract/agreement signing purposes.

6 Transfers with Non-Member Organizations

- 6.1 Player transfers with non-member organizations having a transfer agreement with the IIHF will be executed following the conditions specified in the agreement.
- 6.2 Any Player who leaves his national association to play in a non-member organization will at all times be regarded as belonging to his former member national association.
- 6.3 Any Player of a non-member organization, without an IIHF transfer agreement, who wishes to join an IIHF member national association must apply for an ITC from the member national association where his rights remained (“home MNA”) at the time he left to play with a non-member organization. When the new MNA and the home MNA are the same (the Player is transferring back to his home MNA), then no ITC is required unless the Player being transferred was or is a National Hockey League (“NHL”) contracted Player. If a NHL contracted Player is transferring to his home MNA, then the new MNA must apply for an ITC from the MNA of the non-member organization (MNA where NHL Club is located). If a NHL contracted Player is transferring to a MNA other than his home MNA, then the new MNA must apply for an ITC from his home MNA and obtain a written approval from the MNA of the non-member organization (MNA where the NHL Club is located) No written approval is required when the home MNA is USA Hockey or Hockey Canada. As a matter of clarification, any Player who wishes to transfer from a non-member organization to an IIHF member national association will be subject to the IIHF Statutes & Bylaws and Regulations upon signature of the ITC Card. Thus, these regulations including any sanctions will apply to the transfer of such Players.

7 Try-Out Exhibition Games

Written permission may be granted from a Player’s former member national association permitting that Player to participate in Exhibition Games during a specified time period not to exceed 15 days from the first game that he plays. During this time period the Player is under the jurisdiction of the member national association in which he is playing and is subject to the disciplinary procedure of the IIHF.

8 Fax Approval Procedures

- 8.1 In order to expedite the Player transfer procedure; the new member national association may request approval for a transfer via fax or email. A photocopy of the completed and signed ITC must be sent by the new member national association to the former member national association for approval. Should everything be in order, the former member national association must then immediately sign and send the photocopied card back to the new member national association. The new member national association must then forward the copy of the ITC to the IIHF office for processing. The IIHF will issue a 30-day temporary approval to the new national association allowing the Player to

play immediately. The new national association shall immediately send the original ITC to the former member national association for their signature. The former member national association must then immediately forward the original (completed and signed) ITC to the IIHF office for final processing and approval. This process must be completed within 30 days of the date the IIHF confirmed the expedited approval. After 30 days the temporary approval will be terminated.

- 8.2 Should the original ITC not be received by the IIHF and processed within the 30 day period then the new national association may request a second and final expedited approval of the transfer by the IIHF, to permit the Player to continue playing. Once the second expedited approval has been processed, the original ITC will be considered lost and the transfer will be confirmed as complete.

9 Fees

- 9.1 The IIHF Council will establish the IIHF fee for ITC and for expedited approvals. The IIHF administration costs incurred by each expedited approval will be charged by the IIHF office in each individual case.
- 9.2 A transfer service fee reflects the costs connected with the execution of the transfer procedures. The former member national association shall not charge more than a CHF 500.- service fee for the complete transfer procedure.

10 Distribution of Documents

- 10.1 Distribution of all documents in the IIHF transfer procedure must be executed by registered mail, fax or email. The receiving member national association must confirm the receipt of any faxed or emailed document. The IIHF can not guarantee the processing of the ITC if this procedure is not followed.
- 10.2 A faxed or emailed document must be immediately followed by the sending of the original document (article 8: Expedited Transfer Procedures).

11 Release of a Player for National Team Games

- 11.1 Any Club that has registered a Player who is eligible under IIHF Bylaws to play for the national Team of a member national association must, in the event that he is selected for one of its representative Teams, Release him to the member national association for which Team he is eligible to play, irrespective of age and in accordance with the IIHF International Transfer Regulations, which in this respect includes all Players whether transferred or not.
- 11.2 This provision is binding for the following games between National Teams:
- a) a total of nine National Team games per League Season and for not more than four official IIHF Breaks.

The Club and national association concerned may agree to extend or to reduce the period of Release. In any event, a Player is obliged to arrive at the match venue at least 48 hours before start of the match.

- 11.3 Any Club which Releases a Player shall not be entitled to any financial compensation, except the compensation agreed upon in the case of an extended period of Release to that specified in article 11.2.
- 11.4 The national association summoning a Player shall bear the travel costs actually incurred by the Player as a result of this summons.
- 11.5 The national association summoning the Player shall be responsible for the payment of medical and health care insurance during the period which the Player is with the national Team in any specific activity. If, according to the IIHF Player Support Program, the IIHF has undertaken to compensate a national association and/or its Clubs for Player injuries, the IIHF will pay such compensation to the extent it has received cover under its relevant insurance policy. If the IIHF executes a payment to a national association and/or its Clubs according to the IIHF Player Support Program, the national association shall, and shall ensure its Clubs will, pay any taxes and duties, and fulfill any reporting and other obligation, that may arise as a consequence of any such payment.
- 11.6 Any Player registered with a Club is obliged to respond affirmatively when called upon by the selecting national association to play for one of its representative Teams.
- 11.7 A member national association wishing to summon one of its Players must do so in writing at least 21 days before the date of the event for which the Player is required, and shall use their best endeavors to advise Clubs when Players may be summoned over the course of the Season.
- 11.8 A member national association which requests the assistance of the IIHF to obtain the Release of a Player may do so only under the following two conditions:
 - a) the member national association with which the Player is registered must have been asked to intervene but without success;
 - b) the case must have been submitted to the IIHF at least 14 days before the date of the match for which the Player has been summoned.

- 11.9 A Player who is unable to comply with a summons from the selecting national association owing to injury or sickness shall, if the association so requires, agree to undergo a medical examination by a doctor of that national association's choice.
- 11.10 A Player who has been summoned by his selecting national association for one of its representative Teams shall not be entitled to play for the Club with which he is registered during the period for which he has been Released or should have been Released.

- a) all or part of the sanctions mentioned under article 11.11;
 - b) the member national association to which the Club belongs shall declare the match or matches, in which the Player took part, forfeit by the Club concerned.
- 11.13 If the Player is transferred again to another Club, the above obligations shall remain valid for the Player, his new following Club and the following receiving new member national association.
- 11.14 If upon conclusion of a transfer a special agreement was approved and signed concerning the Release of the Player for matches of his national representative Team (article 11.2.), the said agreement shall be attached by the former member national association to the international transfer card.

II PROVISIONS ON STABILITY OF PROFESSIONAL PLAYER CONTRACTS

The IIHF will apply the provisions below on the international transfers of all professional Players.

A professional Player shall be an ice hockey Player who is paid more for his ice hockey Player activity than the expenses he directly incurs through playing ice hockey. All other Players are considered non-professionals (this includes Players signing an education/hockey school/development agreement). The IIHF General Secretary may, at his sole discretion, decide whether a Player is a professional according to this definition.

These provisions on stability of professional Player contracts solely apply to professional Players as defined above. The provisions of section I solely apply to the extent that they are not provided for in this chapter.

These provisions also apply to Players which are transferring from a non-member organization Club to an IIHF member national association Club according to section I article 6.3.

1 Definition of “Professional Player Contract”

A professional Player under contract is a Player who has concluded a written contract with an ice hockey Club (signed by the Player and the Club) according to which he is compensated more for his ice hockey Player activity (taking part in matches and/or training sessions) than the expense he directly incurs through playing ice hockey. Contracts concluded between Clubs and Players must be of a specific duration.

2 Termination of Professional Player Contracts

- 2.1 A Player contract may be terminated (a) upon expiry of the term of the contract, (b) by mutual agreement, or (c) where there is a just cause.
- 2.2 Any contract provisions for early termination are considered to be mutually agreed upon.
- 2.3 Any other termination shall be considered as a breach of contract.

3 Consequences of a Breach of Contract

- 3.1 Sporting sanctions shall be imposed on Players found to be in breach of contract (a) during the first three years of a contract for Players aged up to and including 28 years of age, and (b) during the first two years of a contract for Players aged 29 and over.

The sanction shall be a four month suspension on playing in official national and international games during playing periods. These sporting sanctions shall take effect from the date as directed by the IIHF General Secretary in its communication. In the case of aggravating circumstances, the IIHF General Secretary may decide upon further disciplinary measures. The total period of suspension shall however never exceed six months playing period.

If a Player is found in breach of contract, he must either: (a) go back to his former Club, or (b) obtain a Release from his former Club. If neither action is taken within two weeks, sporting sanctions will take effect. The two week time period starts to run from the date the respective party receives the appeal decision.

- 3.2 A one Season ban on international transfers shall be imposed by the IIHF General Secretary on any Club found to be inducing a breach of contract. It shall be presumed, unless established to the contrary, that any Club signing a Player who has breached his contract has induced that Player to commit a breach. The period of ban shall commence on the day the IIHF General Secretary communicates its decision and last until the same date of the following Season. In the case of aggravating circumstances, the IIHF General Secretary may decide upon further disciplinary measures.
- 3.3 These regulations do not prevent any party from seeking appropriate compensation and other remedies before a competent body (such as civil courts or arbitration panels).

- 3.4 Any person or body subject to the IIHF Statutes & Bylaws and Regulations who acts in a manner designed to induce a breach of contract between a Player and a Club in order to facilitate the transfer of the Player shall be subject to disciplinary measures by the IIHF Disciplinary Committee.

4 Appeal Procedures for Breaches of Professional Contracts

- 4.1 A former member national association is entitled to appeal to the IIHF General Secretary against an international transfer on the grounds that the Player is still under contract with his former Club within 7 days of receiving the ITC request. In the appeal, the former member national association must together with the refusal of the transfer submit to the IIHF General Secretary any relevant evidence (which includes English translations of provisions of national laws or any other regulations which apply to the Players contract) and a brief which contains all arguments. Furthermore, it must provide a copy of the original Player contract together with an English translation.
- 4.2 The new member national association will get the opportunity to file a response to the brief submitted by the former member national association within 7 days after having received such brief from the IIHF General Secretary.
- 4.3 The IIHF General Secretary shall assess whether it is necessary to entitle the former member national association to submit a second brief following the new member national association's response to the first brief and subsequently give the new member national association the opportunity to file a second response. Should the IIHF General Secretary decide to provide such opportunity, each party shall have 7 days respectively in order to file its new arguments. The IIHF General Secretary may grant longer deadlines for submitting refusals and appeals when special circumstances warrant such. New evidence shall only be submitted and taken into consideration where it represents new factual evidence. If either party does not submit or fails to submit in a timely fashion a brief or response, the IIHF General Secretary will view such inaction as a withdrawal from the proceedings and enter a decision in favor of the opposing party.
- 4.4 No hearings will be conducted and thus the IIHF General Secretary will make its decision based on the written arguments and evidence provided by the parties in their briefs and responses. National laws or any regulations which apply to the Player's contract will only be taken into consideration if provided in the English language.
- 4.5 The IIHF General Secretary will approve the ITC, should he ascertain that the Player has not committed a breach of contract. (Refer to section I article 2.2(c)).
- 4.6 Should the IIHF General Secretary ascertain that the Player has committed a breach of contract; the sanctions as provided for in section II article 3 of these regulations will be applied. In such cases the Player's ITC will be approved the day following his last day of suspension and the Club's ban shall be lifted the day following the last day of ban.

- 4.7 Decisions of the IIHF General Secretary may be appealed to the IIHF Executive Committee within 7 days. Such decision shall remain in effect and shall not be stayed pending the outcome of the appeal.
- 4.8 A party wishing to appeal the General Secretary's decision shall submit his appeal brief together with the grounds for such appeal (appellant may object to inaccurate representation of the facts and/or wrong application of the law and/or wrong interpretation of facts/law and/or improper procedures) to the Executive Committee, along with CHF 1000. The IIHF will automatically deduct the CHF 1000 from a member national association's account if the fee is not paid within 10 days of the start of the appeal procedure.
- 4.9 Once received, the appeal brief together with the grounds for such appeal shall be forwarded to the opposing party. The opposing party shall have 7 days in which to provide a response brief to the petition of appeal together with CHF 1000. If the opposing party does not provide a response brief within 7 days, the Executive Committee will make a decision on the appeal without the opposing party's arguments against such appeal.
- 4.10 The Executive Committee reserves the right to allow each respective part to submit further briefs and corresponding responses. A longer deadline may be granted after written request when special circumstances demand such.
- 4.11 Once the Executive Committee receives the opposing party's response brief or the 7 day deadline for the submittal of such brief has lapsed, the Executive Committee will make a final decision on an expedited basis. The Executive Committee will refund the CHF 1000 fee to the winning party. (The Executive Committee maintains wide discretion in the refunding of the appeal fee, such that if an original decision is reversed due to a significant amount of new evidence introduced in the appeal briefs, the Executive Committee maintains the right to not refund or refund only a portion of the CHF 1000 fee.) The Executive Committee will not refund the CHF 1000 to the losing party. The Executive Committee will use the losing party's fee to cover the costs Associated with the appeal procedure.
- 4.12 Decisions of the IIHF Executive Committee may be appealed to the Court of Arbitration for Sport in Lausanne (according to IIHF Statutes & Bylaws). Time limits for such appeals shall be in accordance with the Code of Sports-Related Arbitration. The appeal decision shall remain in effect and shall not be stayed pending the outcome of the appeal.
- 4.13 Any party deemed by the IIHF office to have raised an unsubstantiated objection to a transfer may be referred to the Disciplinary Committee for possible sanctions.

III. DISCIPLINARY PROVISIONS

- 1.1 Any breach of these regulations and/or the related provisions of the IIHF Bylaws can be reported to the IIHF Disciplinary Committee for possible disciplinary action.

Unlimited Transfer Card Request

This note explains the Player's rights and responsibilities when planning to transfer from one country to the national association of another country. It should be read carefully and must be signed by the Player before the International Transfer Card (ITC) can be processed and must be submitted to the IIHF together with the ITC.

The choices the Player has to make:

1. The Player has the option to choose the basis on which he is transferred – limited or unlimited and must complete the ITC accordingly, failing which he will be deemed to have elected to be transferred on a limited basis.
 - 1.1 A limited transfer means that the Player transfers temporarily to a specific Club under the jurisdiction of the “new” National Association but automatically returns to the former Club under the jurisdiction of the former Member National Association when the transfer expires. During the period of the temporary transfer he may still call upon his former Member National Association for support. A limited transfer cannot be limited to less than the period of the Player's firm contract with his new Club.
 - 1.2 An unlimited transfer means that the Player transfers permanently to the jurisdiction of the “new” National Association and ceases to have any connection with, or the option to ask for support from the former Member National Association. If the Player wishes to play in the territory of any other National Association including returning to his former Member National Association he will require a new ITC and be responsible for all Associated service charges.
2. There are financial implications depending on the choice the Player makes – to transfer on a limited or unlimited basis.
 - 2.1 Before signing the ITC the IIHF requires both involved Clubs and respective National Associations to carry out certain research designed to protect both the Player and the Clubs involved. National Associations may charge for this service up to a maximum of 500 Swiss francs. The IIHF will make available ITC's at a cost of 300 Swiss francs per card and make an additional charge of 100 Swiss francs if part of the process has been carried out by fax. The Player is responsible for paying these service charges.
 - 2.2 A Player who elects to transfer on a limited basis will revert to the jurisdiction of his former Member National Association once the limited period has expired without incurring any service charges at that time.
 - 2.3 A Player who elects to transfer on an unlimited basis but then later wishes to revert to the jurisdiction of his former or another Member National Association will have to initiate the transfer procedure as described in 2.1 above and will be responsible for the Associated service charges.
3. Other considerations - Before electing to transfer on a limited or unlimited basis you should consider the following:

IIHF TRANSFER REGULATIONS K1

- It is usual practice for the Club to which the Player is going to play to pay, or for the Player to negotiate his contract on the basis that the Club will pay all the service charges. The Player should make sure of the position before signing his contract otherwise he will be responsible for the service charges.
- The Player may feel more at ease by preserving the link with the former Member National Association. If so, and, if having transferred to a “new” National Association on a limited basis and even in the knowledge that he will be renewing his contract with the same Club or staying in the same country, he may elect to transfer for consecutive Seasons on limited transfers.
- The Player should contact his former Member National Association in order to discuss the consequences that an unlimited transfer may have.

I warrant that I have read understood the choices open to me and that I have had the opportunity to take independent advice in connection therewith, and, I hereby confirm that I wish to transfer from the National Association of

_____ to the National Association of _____
_____ on an unlimited International Transfer Card.

APPENDIX K2 - USAH/HC/CHL TRANSFER & RELEASE AGREEMENT

THIS AGREEMENT made and entered into this 25th day of June 2015 by and between:

USA Hockey, Inc., a member of the International Ice Hockey Federation charged with the responsibility for the administration of the sport of ice hockey in the United States of America, with its principal place of business located at 1775 Bob Johnson Drive, in the City of Colorado Springs, Colorado, 80906-4090 (hereinafter to be referred to as “USAH”);

Hockey Canada, a member of the International Ice Hockey Federation charged with the responsibility for the administration of the sport of ice hockey in Canada, with its principal place of business located at 151 Canada Olympic Road SW, Suite 201, Calgary AB, T3B 6B7 (hereinafter to be referred to as “HC”); and

Canadian Hockey League, a League of major junior Teams/Players, divided into three (3) separate divisions, with its principal place of business located at 305 Milner Ave., Suite 201, Scarborough, Ontario, M1B 3V4, Canada, (hereinafter to be referred to as the “CHL”), for and in consideration of the mutual covenants and agreements herein contained, the parties hereby mutually covenant and agree as follows.

WHEREAS, USAH and HC are two Member Federations of the International Ice Hockey Federation (I.I.H.F.) that share a common border in North America, each with Member Teams/Leagues on either side of that common border;

WHEREAS, the CHL is recognized in both Federations as a Major Junior League, operating in three Divisions and including Teams on either side of the common border;

WHEREAS, Players are constantly moving across the common border within and between Federations, Leagues and Teams, which movement all parties acknowledge should be reported, recorded, and approved by the respective Federations, all as is required by the Rules and Regulations of the I.I.H.F.

WHEREAS, the best interests of the athletes, Teams, Leagues, and the parties to this Agreement are best served by the adoption of the process whereby this movement can be facilitated, while respecting both the rights of and the responsibilities to the participating athletes, as well as the Teams, Leagues and Federations involved; and

WHEREAS, the parties hereto have reached agreement on the process for the movement of participating Players and now wish to reduce that agreement to written form.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements herein contained, the parties, hereto, hereby mutually covenant and agree as follows:

ARTICLE I – APPLICABILITY

Unless otherwise provided for in this Agreement, the provisions contained herein shall apply to and govern the movement of any and all eligible, Players between the Teams/Leagues who are members of and/or sanctioned by any party to this Agreement. The principle responsibility for the enforcement and administration of the terms and provisions of this Agreement shall rest upon the Federations involved, through the process provided herein.

ARTICLE II– PLAYER ELIGIBILITY

A. General Statement Of Principle

The eligibility and qualifications of the Player must first be determined before the authorized movement of any eligible Player(s) can occur by and between Teams/Leagues who are members of or sanctioned by the Federations who are signatory to this Agreement. The movement of eligible Players shall require and be based upon a properly completed, duly executed, Release from the Player's Outgoing Team; a properly completed Transfer from the Outgoing Federation; and payment of sums due for the Release and/or Transfer or the completion of satisfactory arrangements therefore, unless otherwise provided herein. Persons who do not qualify as "eligible Players", as defined herein, do not require a Release payment to or a Release from any outgoing Team but still require a transfer from the Outgoing Federation, which transfer shall not be unreasonably withheld.

B. Ineligible Players

The following Players shall be considered ineligible for transfer to another Federation under this Agreement and shall not be eligible to participate in any try-out, practice, regular Season game competition, or Team function, until the Transfer shall have been issued by the Outgoing Federation, or agreed arrangements are in process therefore.

1. Players under Disciplinary Suspension For Actions During a Game

Any Player who is under a disciplinary suspension for a game or League violation, imposed prior to and unrelated to that Player's departure from their Outgoing Team/League/Federation, can sign a Try-Out Notice but can not complete the transfer process until the Incoming Team/League/Federation shall require the suspension to be served in its entirety per the terms established by the outgoing Team/League/Federation. Provided, however, that the enforcement shall be dependant upon the Player being afforded a right of appeal by his Team/League/Association/Federation, and all appeal processes in place shall have been exhausted, or the Player has failed to file an appropriate appeal contesting the suspension on a timely basis, within the time limits as prescribed by the appropriate Team/League/Association/Federation. The foregoing shall, in addition, be subject to the terms and provision of Article VI – Dispute Resolution Process, of this Agreement.

2. Players Under Suspension – Other than For Actions During a Game

Any Player who has been disciplined by his Team for an act or an omission that is not a result of actions on the ice, and placed under suspension, shall be entitled to be treated in accordance with the existing Rules of Appeal, as adopted by the Player's Outgoing Team, League, Association, and/or Federation. The Player shall be notified of the suspension in writing by his Team, which notice shall identify the reason for his suspension, and shall advise the Player of the appeal process that is available to him to dispute the suspension. Any appeal process shall, at the minimum, entitle the Player to a hearing notice of the hearing date, place and time; advise the Player that he has the right to be represented by Counsel; give the Player an opportunity to make a full presentation to the appeal body; the provision of an impartial hearing panel or third party to whom the appeal is to be presented, and that the Player has the right to cross-examine any witnesses called by the charging party.

It is possible that the Player may have an appeal to his Team, to the League in which he plays, and/or to his National Federation, and the Player will have to exhaust all appeals available to him prior to applying for a transfer to the incoming Federation. Such appeals shall be conducted within the procedure and timelines as adopted and provided in the Constitutions/ By-Laws/Regulations of the Outgoing Team's League, Branch, Association, Affiliate, District and/or Federation. Any adjournment or continuance of any Hearing, or the date thereof, at any level shall require the Player's written consent.

Prior to the Incoming Federation accepting the transfer, it shall satisfy itself that all appeals have been exhausted on a timely basis in the Outgoing Federation, and that the appeals have been conducted in accordance with the provisions required as contained herein.

The Incoming Federation shall obtain information from the Player, the former Team, the former League, and determine whether the Player should be declared eligible to participate, and when. Prior to the Player participating in any regular Season competition, the Incoming Federation shall first obtain the concurrence of the Outgoing Federation regarding the date on which the Player shall be allowed to participate in regular Season competition.

In the event that the Outgoing Federation fails to provide its consent, then the matter shall be referred to the Dispute Resolution Process (see Article VI) and the decision reached by use of the process provided herein shall be final and binding.

3. Players with Delinquent Economic Responsibilities

No Player shall be transferred by any Team or Federation to the other who has not made satisfactory arrangements/payment for any and all delinquent obligations owed by that Player to their former Outgoing Team/League before they leave that Team/League and Federation.

4. Players With Medical Disabilities

Any Player with a medical disability, which in the opinion of his treating physician shall extend beyond the current Season, shall be ineligible for transfer between Teams and Federations. Any

Player or interested incoming Team may challenge the treating physician's opinion by securing, at their own expense, an independent, medical evaluation of the Player's medical disability by a qualified medical physician skilled in the field of medical care required by the disability (e.g. orthopedic surgeon for broken bones, neurologists/neuro surgeon for head concussions, etc.). Should the independent medical examiner's report dispute the findings and opinion of the treating physician and authorize the disabled Player to return to competition before the end of the current regular Season, the Player shall be free to move to the incoming Team and return to competition upon payment to the Outgoing Team of the applicable amount set forth in the schedule for pre-Season movement. Should the Outgoing Team dispute the findings of the Player's Medical Evaluation, the Player shall submit to further medical examination by a qualified medical physician (as defined above) as may be agreed by and between the parties. If the parties shall fail to agree, then the Chief Medical Officers of each Federation shall jointly select a qualified, reasonably convenient, and available Medical Physician to perform the Independent Medical Examination of the Player. Once the Independent Medical Examiner is selected, each party shall immediately forward a copy of their examining physician's report, including copies of x-rays, and all test reports upon which their examiner relied. The medical exam of the Player shall then be scheduled as soon as possible, at the Appealing Team's expense. A copy of the Independent Medical Examiner's Written Report shall be forwarded contemporaneously to both the Appealing Team and the Player or his designated representative. If the Independent Medical Examiner confirms the Player's medical condition as reported by the Player's Medical Examiner, the Player movement shall be confirmed. Should the Independent Examiner confirm the Outgoing Team's Examiner report, then the Player shall be immediately ineligible to continue competition for the Incoming Team and the Player shall be returned to the Outgoing Team's Medical Suspension List. The Outgoing Team shall refund the payment made by the Incoming Team, less any expense incurred by the Outgoing Team to secure the Independent Medical Evaluation. Any disputes arising during this process shall be referred to the Appeals Committee, pursuant to the process set forth in Article VI of this Agreement.

C. Players Who Are Involuntarily Moved

1. All Teams/Players Other Than CHL Teams/Players

Any properly Released and transferred Player who is subsequently and involuntarily traded to another Team within the Incoming Federation, must comply with the trade and then complete the Trade Consent Form accepting the trade, or refuse the trade, and complete the Trade Refusal Form. The Consent/Refusal Forms shall be filed with the Incoming Federation, with a copy also forwarded to the Outgoing Federation, within ten (10) days after the trade/movement is finalized or if not filed, the Player will be deemed to have refused the trade/movement. By refusing the trade, the Release and transfer of the Player is revoked and the Player may return to compete in his Outgoing Federation. Copies of the completed Trade Consent/Refusal Form(s) shall be forwarded by facsimile (fax) transmission or such other electronic means as may be agreed between the Federations.

Within five (5) days from the filing of the Trade Consent/Refusal Form(s), the Player who refuses the trade must return to the Outgoing registered Team on whose roster he last appeared, if he has remaining eligibility at that age level. If the Player no longer has age eligibility to play for that Team, or if the Player's previous Team fails to make arrangements to re-roster the Player within the five (5) day period set forth above, the Player shall then become a free agent. The Player movement provided for herein shall be subject, however, to the restrictions set forth in Article II, paragraph A, above.

2. CHL Team(s)/Player(s)

It is agreed that CHL Teams are considered the highest level of non-professional competition in Canada, administrated as a development program under the auspices of Hockey Canada in a member League of the CHL. Players with this program agree to participate in a member League of CHL and with a CHL Team by signing a Player agreement, the form of which agreement for each member League is prescribed by each such member League of CHL. Further, by signing an agreement with a CHL member Team, the Player agrees to be bound by the terms of that agreement, including its termination and transfer provisions.

In summary, if the Player executes the CHL agreement in accordance with the terms set forth above, the Player shall be bound thereby and he shall forfeit the opportunity to exercise rights contained in this Agreement, including, but without limiting the generality of the foregoing, Article III-Transfers Timelines and Article VI-Dispute Resolution for as long as such CHL Agreement remains in effect.

3. National Team Development Program

It is agreed that NTDP is considered a development program administrated directly under USA Hockey and Players with this program agree to participate with NTDP and the NTDP Teams by signing a federation Player agreement. Further, by signing an agreement with NTDP, the Player agrees to be bound by the terms of that agreement, including its termination and transfer provisions.

In summary, if the Player executes the NTDP agreement, the Player shall be bound thereby, and he shall forfeit the opportunity to exercise rights contained in this Agreement, including, but without limiting the generality of the foregoing, Article III Transfers Timelines and Article VI-Dispute Resolution for as long as such NTDP Agreement remains in effect.

D. Payment of Fees

In addition to Article II, Paragraph A, above, no Player shall be eligible for competition under the jurisdiction of the three parties to this Agreement, unless, and until all required fees, both transfer and Release, have been paid or satisfactory arrangements made therefore, as provided herein.

E. 16 year old Player, transferring from USAH to the CHL or participating as an Affiliate Player in the CHL

In the event that a 16 year old Player wishes to transfer to the CHL from USAH, or participate as an Affiliate Player, that Player shall be required to complete the USA Hockey Parental Consent form, along with the standard transfer form and standard Player Release or Player affiliation consent form. The consent form must be received ten (10) days prior to approving the USAH/HC transfer form or participating as an Affiliate Player.

Upon completion of the Parental consent form, the completed form shall be forwarded to USAH, which shall review and forward a copy of the signed form to HC.

Upon receipt of the signed form, HC shall provide a copy of same to CHL for distribution to the Incoming Team.

Prior to be Player being eligible to compete for the Incoming Team, the Player must be eligible for competition by all the terms of the within Agreement. The execution of the consent form alone does not provide any authority for the Player to participate.

In the event that the Player is unable to complete the consent form, that Player is not eligible to utilize the provisions of Article VI – Dispute Resolution. In the event that a consent form is signed, then the Player shall be entitled to use the provisions of Article VI as provided in the within Agreement.

ARTICLE III –TIMELINES

All new eligible Player transfers must be executed between June 1 and February 10 in each playing Season. However, no new transfers will be permitted between December 23 and January 2 during each playing Season, in order to ensure that Players are not required to relocate during the holiday Season.

A. Try-Out Period – The End of Previous Regular Season Through the Commencement of the Next Regular Season

1. Time for Contact With Players

a. Recruitment

From and after February 10, of the current playing Season, Team rosters are frozen until the end of the Player's current regular League Season, and Teams are not permitted to commence the process of contacting any outgoing Players until that time. If a Player's Team has been eliminated from further play during the current Season by the Team's elimination from or non-qualification for the play-offs, any communication with such

a Player shall not be considered tampering. Unauthorised contact between a Team and any outgoing Player in which the Team is interested prior to the end of the Player's current regular Season shall be considered tampering.

Member Teams may file a dispute with their domestic federation in the event there is an issue of tampering. The member Team shall be eligible to utilize the provisions of Article VI – Dispute Resolution Process.

b. Try-out Evaluations

After completion of the Player's current Season, or April 1, whichever shall last occur, a "try-out" period is designed to initiate the transfer process between Teams in both Federations. An Incoming Team may avoid tampering charges/consequences, in either Federation, by completing and filing a Try-Out Notice prior to allowing the incoming Player to try-out for a domestic Team.

The parties to this Agreement specifically agree that any Player registered with USAH who is fifteen years old as of December 31 of the calendar year in which the "try out" period occurs shall be permitted to attend one or more tryout camp(s) with one or more CHL Team(s) provided that he follows the procedure set out in this Agreement.

The procedure and significance of the Try-Out Notice is as follows:

i. Try-Out Notice

The Try-Out Notice is a form prepared by the incoming Team, which shall be filed at the appropriate time when an incoming Player desires to compete for a roster spot on an incoming Junior Hockey Team. The Try-Out Notice must be signed by the incoming Player, an Official of the Incoming Team, and forwarded to the Incoming Federation. The incoming Team is responsible for insuring that the form is correctly completed. A Try-Out Notice shall be filed for each Team whose camp a Player attends.

Once the try-out notice is correctly completed, the incoming Team will file the Try-Out notice with the incoming Federation and the incoming Player shall then be permitted to participate, on a Try-Out basis, with the incoming Team. It shall be the responsibility of the outgoing Federation to make sure that a copy of the Try-Out Notice is also sent to the outgoing Team on whose roster the Player currently appears in his outgoing Federation. The appropriate place to file the Try-Out Notice is with the Manager, Regulations, of HC and the International Department of USAH. The Try-Out Notice expires at midnight preceding the day of the incoming Team's first regularly scheduled League game of the current Season, as that schedule has been forwarded to and placed on file with the Team's National Federation, and no Player can be placed on a Try-Out Notice after that date by any incoming Team.

Release/Transfer Fees are not required to be paid until such time as the incoming/ Try-Out Team proceeds with a full Transfer Application.

Release Fees, which are to be paid or agreed during the Try-out period, shall be calculated subject to the provisions of in Article IV – Compensation – Release and Transfer Fees.

ii. Mandatory Filings

The filing of a Try-Out Notice shall be mandatory from end of regular Season (including play-offs, if any), up to and including midnight preceding the incoming Team's first regularly scheduled League game of the current playing Season, and may not be used/filed thereafter by the incoming Team. After an incoming Team is in its Active Roster Period, meaning any time after midnight preceding the date of the Team's first regularly scheduled League game, the incoming Team shall be prohibited from filing a Try-Out Notice for any Player who would need to transfer Federations. The only method for any Team, incoming or outgoing, who is in its Active Roster period to obtain a Player for its Active Roster would be to obtain a consensual negotiated Release from the Player's current Team.

iii. Eligibility

Any Player for whom a Try-Out Notice has been properly filed shall be eligible to be placed on a Team's Active Roster and be immediately eligible to compete if the placement on the Active Roster occurs on or before the incoming Team's first regularly scheduled League game of the current playing Season and the Release payment, or satisfactory arrangements for payment, is made before the Player enters competition for the Team in the incoming Federation.

During the Try-Out Period, the Release payment may be as agreed between the outgoing and incoming Teams, in which case a Release must be executed by the Outgoing Team upon receipt of the payment. If payment is not agreed between the Teams, the incoming Team may secure the Release of an incoming Player paying the maximum amount as provided in Article IV – Compensation – Release and Transfer Fees.

iv. Try-Out Notice Expiration

The Try-Out Notice shall expire at midnight preceding the day of the incoming Team's first regularly scheduled League game of the current playing Season. Any Player who is not moved to the Active Roster on or before that time and date, shall not be entitled to immediate eligibility for competition pursuant to the procedures set forth above. Rather, as noted above, that Player will have to await agreement on the Team Release; payment of the amount due, and/or satisfactory arrangements for the Release Payment; the commencement of the processing for the necessary

Federation Transfers; and payment of the fees due to commence that process; before the Player shall be eligible to compete.

For reasons set forth herein, again, it is most advisable to file a Try-Out Notice for every incoming Player who competes for a position on an Incoming Team in order to secure, for that Player and his incoming Team, immediate eligibility for competition when adding the Player to the Active Roster prior to the incoming Team's first regularly scheduled League game of the current playing Season.

B. Active Roster Period – From the Team's First Regularly Scheduled Season Game through January 10/January 15

A certified Active Roster and Game Schedule must be submitted by each Member Junior Team to its Federation on or before the 1st regularly scheduled Season game of the current playing Season. This submission shall be on a standard form designed to clearly indicate the number of incoming Imports from any Federation who is a party to this Agreement and the date, time, and location of all games in which the Team intends to compete during the current League Season.

Players who appear on an Active Roster after midnight preceding the date of the first regularly scheduled game of the current playing Season and have participated in current Season competition shall only be permitted to transfer with the consent and agreement of that Player's Team. The payment schedule as set forth in Article IV shall not be applicable to any consensual movement. In the event that Teams fail to reach an agreement on a Release fee, then the Player shall not be permitted to transfer, and shall be denied access to Article VI-Dispute Resolution Process and the process/provisions contained therein.

During the Active Roster Period, Release fees, as agreed between the Teams, must be paid in full, or satisfactory arrangements made therefore, before the Player shall be eligible to practice or compete for the incoming Team during the current playing Season (including play-offs). Failure to remit payment in full, or as agreed, for the Player's Release renders the involved Player immediately ineligible to participate as an active roster Player for the delinquent incoming Team.

Upon receipt of the applicable Release fees, the playing rights of the involved Player shall remain with the new incoming Team/Federation for the Player's remaining eligibility and, as such, any movement to a Team within the incoming Federation shall be regulated solely by that Federation. If at any time the Player is involuntarily moved to another Team within the incoming Federation, he shall fall under the forfeiture provisions of this Agreement (See Article II, Paragraph (B) above) and should he refuse to consent to the trade, he shall be authorized to return to the last registered Team on which he was rostered in his outgoing Federation, at his option.

Each Federation shall be entitled to make Regulations concerning which Team the Player would return to in the event that involuntary movement provisions of Article II above applies.

C. Frozen Roster – January 10 to End of Season

1. Movement Between Junior Teams Prohibited

No movement of Junior Players between registered Junior Teams shall be allowed between either Federation from and after midnight on the 10th day of January of the current playing Season. Should a renewal transfer be filed after the first day of August the applicable transfer fee will be applied.

Transfers may be renewed, however, in subsequent years without payment of additional transfer fees or Release payments (See Article III- Transfer Timelines. Paragraph D - Payments/Deposits). Paragraph D - Payments/Deposits.)

2. Fees

Transfer Fees due the respective Federations shall be established by each Federation and the amount due each Federation shall accompany the Transfer Application for each Player to be transferred. Transfer fees shall not be due for renewal transfers in the second and subsequent years where the Player is returning to the incoming Team on whose roster he appeared at the end of the previous Season. Each Team shall file renewal transfers for all incoming, returning Players on or before August 1 of each succeeding year in order to be eligible for the renewal Transfer without payment of any further fee. A full Transfer Fee to both Federations shall be paid for all new Transfers completed after June 1 and for those renewal transfers completed after August 1.

Players, with remaining junior eligibility, who wish to transfer from a NCAA program are required to secure a Release from the previous outgoing Team should movement take place during the first Season of participation on the NCAA Team. Release payment will be based upon the scheduled values listed in the chart (not Team to Team negotiation). Should a Player complete a full Season of NCAA and wish to transfer in the subsequent Season, a Release would not be required from the previous outgoing Team.

This provision does not apply to Players who go directly to NCAA from the USA Hockey National Team Development Program (NTDP).

C. Federation Guarantee

The payment of all sums due from the Teams, as set forth herein, shall be guaranteed by the respective Federation of which the incoming Team is a member.

The Player's Parent must also acknowledge, in writing that they understand the effect that this competition/affiliation may have on the Player's NCAA eligibility. A copy of the consent form shall be provided to the Federation where the Team wishing to use the Player as an Affiliate is registered by fax or electronic transfer prior to the Player being eligible for participation as an Affiliate Player.

HISTORY OF HOCKEY CANADA

The origin of hockey in Canada has never been definitely established. Claims have been made on behalf of many localities, notably Montreal, Halifax and Kingston and the controversy will no doubt go on as long as the sport continues.

There is no doubt that hockey has been played for a long time in Canada and individual Clubs such as the Victoria's of Montreal were known at an early date. Montreal also lays claim to having the first organized League of Clubs.

The first organization actually dealing with the administration and development of the sport was the Ontario Hockey Association which was organized on the 27th of November, 1890.

With the passage of the years in other parts of Canada organizations also came into existence and on December 4, 1914, the first meeting to provide for a national body was held in the Château Laurier, Ottawa. While it was fitting that the first meeting should be held in Canada's capital city, the impetus for the organization was provided by a group of men in that Western city which has had such a notable connection with the sport, Winnipeg. The invitations for the meeting were sent out by C.C. Robinson of Winnipeg on behalf of the Allan Cup Trustees and N.H. Crow of Toronto, the Secretary of the Amateur Athletic Union of Toronto.

At the meeting, William Northey of Montreal, Trustee of the Allan Cup was chosen as the chairman and Crow acted as secretary. Those present at the meeting and the organizations represented were as follows:

ALEXANDER CUP

In the Season 1950-51 the Association established the Major Series. The purpose of this series was to remove from Allan Cup competition those stronger Clubs which for many years had dominated the play in that series and also to meet a request from such Leagues for longer playing time in their own groups. His Excellency Viscount Alexander, Governor General of Canada, was most graciously pleased to donate a trophy for the new Major Series.

The Valleyfield Braves of the Quebec Senior Hockey League were fortunate in being the first Club to have its name inscribed on this trophy. Subsequent winners were: Valleyfield Braves 1951, Quebec Aces 1952, Halifax Atlantics 1953 and 1954. Since 1954 there has been no competition in the Major Series.

ALLAN CUP

Sir H. Montague Allan donated the Allan Cup; C.V.O. shortly after the Stanley Cup became the championship trophy of the professional hockey Clubs. While the Stanley Cup was an Amateur trophy the proceeds from Cup games went to the competing Teams, but this led to abuses of the principles of Amateurism, owing to Clubs gathering star Players from all parts of the country, regardless of cost, knowing that if they got into a Stanley Cup series their share of the receipts would take care of the extra expenses in building up a championship Team.

Upon the organization of the professional League the senior Player who did not turn pro, retired from the game, which reduced senior Amateur hockey to practically an intermediate basis, which, of course, greatly discouraged those interested in the Amateur game, and it was at this stage that Northey prevailed upon Sir Montague to offer a trophy for the encouragement

of the Amateurs, and to safeguard it with such rules and regulations as to prevent it from ever becoming a menace to the sport it was designed to foster. It was decided to make the Cup a challenge trophy open to any senior Club having won the championship of its League that year. The surplus proceeds after paying the legitimate expenses of the competing Teams to be given to charity.

The Cup was presented to the Victoria Hockey Club of Montreal, and to be defended by the champion of their League that year. The Cliffside of Ottawa was the first Club to defend the Cup as Champions of the League in which the Cup was held. The Queen's University Team of Kingston was the first challenger and was successful in winning the first series of matches for its possession.

From this time on, interest in the Allan Cup became greater each year until the challenges became so numerous that it was impossible for any Team holding the Cup to defend it against all those Clubs sending in challenges.

The trustees then arranged elimination games between Teams from the same territory and also limited the number of times the holders could be called upon to defend the Cup in one Season to three. Even this did not entirely eliminate the difficulties that the trustees had to contend with, and it was quite evident that some other method would have to be adopted in order to give satisfaction.

In 1914, Claude Robinson, who had for some time been acting as Western representative for the trustees, suggested that a governing body be formed. This idea was looked upon with favor by the trustees, and Robinson was asked to communicate with the various Leagues and associations, and arrange for a meeting of representatives to discuss the project. This meeting took place in Ottawa at the close of the annual meeting of the A.A.U. of C. in December 1914, when Robinson outlined his plan, which met with the unanimous support of those present, and Hockey Canada was formed with Branches in the Provinces of Quebec, Ontario, Manitoba, Saskatchewan, Alberta and British Columbia. Dr. W.F. Taylor, of Winnipeg, was its first President.

The "Allan Cup" was accepted as the trophy emblematic of the senior Amateur hockey championship of Canada, under the rules and regulations as enacted by the trustees of the Cup, and in accordance with the Deed of Trust.

The trustees continued to disburse a portion of the surplus funds to charity, but retained an amount each year for the purpose of building up a reserve fund to guard against the possibility of the receipts in some years being insufficient to meet the expenses of the competing Teams.

During the period of the war it was difficult to get representatives from the various Branches to attend meetings of the Association, owing to the heavy cost of sending delegates, and in order to prevent representation by proxy it was agreed between the trustees from each Association that the expenses of one delegate from each Branch be paid out of the Cup funds, and that sufficient money be provided by the trustees to permit of the proper functioning of the Association as a governing body.

In 1920 the trustees financed the cost of sending a Canadian Team to compete in the Olympic Games in Antwerp, and again in 1924 the sum of five thousand dollars was given to the Canadian Olympic Committee towards the expenses of the Team that represented Canada at Chamonix.

Hockey Canada has fully justified its existence by becoming one of the largest governing bodies of Amateur sport in Canada, and Claude Robinson, of Winnipeg, is entitled to be known as its founder.

In 1928 the Allan Cup was donated outright to Hockey Canada, the formal acceptance taking place at the Annual Meeting at the Chateau Laurier in Ottawa in March, when a Board of Trustees, consisting of C.A.H.A. members, was appointed for one year; the personnel being S.P. Quilty, Ottawa, ON; A.B. King, Okotoks, AB, and A.E. Gilroy, Portage la Prairie, MB. A vote of thanks was tendered to Sir Montague Allan for his generosity, and to Wm. Northey, of Montreal, and his co-workers on the Trustee Board on their retirement after many years of splendid service in the interest of Amateur hockey.

At the Association Annual Meeting in Winnipeg in 1984 the classification of Teams competing for the Allan Cup was changed to Senior AAA.

PATTON CUP (Retired)

This trophy was awarded for the championship of Senior hockey in Western Canada and was first competed for in 1925. It was presented by T.B. Patton.

G. P. Bolton Memorial Trophy (Retired)

O.H.A. MEMORIAL CUP

The O.H.A. Memorial Cup was presented to Hockey Canada in March 1919 for the Canadian Championship of Junior Teams in national competition in memory of the many Canadian hockey Players who had made the supreme sacrifice for their country in the First Great War, 1914-1918.

Junior hockey was in its infancy across Canada at this time, but the presentation of the trophy for national competition provided the spark that was required to make it a very live issue throughout the Dominion.

The Ontario Hockey Association (O.H.A.) assumed the financial responsibility for the national Junior series in the first two years of operation. University of Toronto, O.H.A. champions won the first series in 1919. The Toronto students first defeated the Melville Team of Montreal, and then won from the Regina Pats Team, Abbot Cup winners in a two-game series at the Mutual Street Arena in Toronto, to take the first national championship. In 1920, the O.H.A. champions, the Toronto Canoe Club Team, became the winners, defeating Loyola College of Quebec, Selkirks

of Manitoba and Fort William Beavers of Thunder Bay in that order. First victory for Western Canada was in 1921 when the Winnipeg Falcons defeated Regina Victoria's, Fort William Rangers and then Stratford Midgets in the two game total goal final at Toronto by eleven goals to nine. That victory established the series as a national championship and it has been one of the great annual hockey fixtures ever since.

However at the Association's Annual Meeting in 1970, Junior "A" hockey was divided into two classifications, namely Major Junior and Junior "A". The OHA, QJHL and WCJHL were placed in the Major Junior Category leading to the Memorial Cup and all other Junior Teams across the country who were previously entered in Memorial Cup playdowns were placed in the Junior "A" Category and played off for a new national trophy presented by the MB AHA. In completing this re-classification of Junior hockey for the 1970-71 Season, new trophies were accepted by the Association and other trophies re-assigned as follows:

- Canadian Major Junior Championship - OHA Memorial Cup.
- Eastern Canada Major Junior Championship - George T. Richardson Memorial Trophy.
- Western Canada Major Junior Championship - Monseigneur Athol Murray Trophy.

Abbott died on active service in the war of 1914-1918 and the trophy was presented in his memory in 1919 by the Saskatchewan Amateur Hockey Association and is awarded annually for the championship of Junior "A" Hockey in Western Canada.

W.G. HARDY TROPHY (Retired)

Although Inter-Branch Intermediate competition had taken place for many years, a National Championship, under sponsorship of Hockey Canada, did not take place until the spring of 1968. Sept Iles Mineurs, Quebec, became the first National Champions when they defeated Meadow Lake Stampeders in a series played at North Battleford, SK.

A new trophy, emblematic of this championship, was presented by a group of North Battleford realtors and the trophy was subsequently accepted by Hockey Canada and named in honour of Dr. W.G. Hardy of Edmonton, Hockey Canada Life Member.

At the Association's Annual Meeting in Winnipeg in 1984, the classification of Teams competing for the "Hardy Trophy" was changed to Senior AA. When Hockey Canada decided to terminate a National Championship at this level of competition, the Hardy Trophy was retired.

EDMONTON JOURNAL TROPHY (Retired)

Upon the establishment of competition between the Western Branches in Intermediate hockey The Journal of Edmonton presented a trophy to be emblematic of the championship of that series and this has done much to stimulate interest in Inter-Branch Intermediate competition in Western Canada, which has been conducted so successfully for many years.

COL. J. BOURQUE CUP

TELUS CUP

With the introduction of Air Canada as the corporate sponsor of Hockey Canada came the birth of a National Midget Hockey Championship “The Air Canada Cup”, which was unveiled at the 1978 CHA Annual General Meeting in Regina, SK.

The first Air Canada Cup National Midget Hockey Championship was held in Winnipeg, MB April 16-22, 1979 with Sainte-Foy, Quebec capturing the title. The Air Canada Cup is now retired and a new trophy, the Telus Cup, has been created, recognizing the new corporate sponsor, Telus. The first Telus Cup was won by the Saskatoon Contacts in Gatineau, Quebec in April 2005.

The Telus Cup, recognized as one of Amateur hockey’s most prestigious showcases, each year attracts the top Midget Teams from the thirteen Branches of Hockey Canada.

ABBY (ABIGAIL) HOFFMAN TROPHY

This trophy was introduced in 1982 at the first National Women’s Hockey Championship held in Brantford, ON where the Ontario Women’s Hockey Association unveiled this trophy to be presented to the gold medalists.

Abby Hoffman is a noted sports figure across Canada, formerly holding the Director General’s position for Sport Canada, and played Minor Hockey on a boy’s Team until it was discovered she was a female. This story broke and made headlines around the world as Abby aroused the hockey realms attention by displaying that females would like the opportunity to play hockey. In her later years, Abby assisted Hockey Canada and the Branches in implementing a national women’s hockey championship. As a result, it was the birth of the annual Senior “A” women’s hockey championship, with representation from each province vying to win this prestigious trophy.

The inaugural winner of this trophy was the Agincourt Canadians from Ontario.

FRED PAGE CUP

The Fred Page Cup was presented to Hockey Canada in 1995 by the Quebec Provincial Junior A Hockey League in recognition of the long time commitment which had been made by Fred Page to Amateur hockey and particularly Junior hockey in Canada at both the Provincial level (British Columbia) and nationally. Fred Page was also a past President of the Canadian Amateur Hockey Association and was a long time life member (deceased) of this organization. It was won by the National de Joliette in 1995 and in 1996 was won by the Moncton Gagnon Beavers. The Fred Page Cup is emblematic of Junior A hockey supremacy in Eastern Canada.

RBC CUP

The acquisition of RBC Financial Group as a major corporate sponsor of Hockey Canada saw the creation of the RBC Cup, which is presented annually to the Team winning the National Junior A Championship of Canada. The RBC Cup was first played for in 1996 and was won by the Vernon Vipers of the BCAHA.

CLARKSON CUP

The Clarkson Cup is awarded to the winner of the National Women's Hockey Championship. Like the Stanley Cup, it was created by and named for a Governor General of Canada, in this case, the Right Honorable Adrienne Clarkson. Though initially awarded in 2006 to the Canadian national women's hockey Team, it was intended to be awarded to the top women's Club in Canada. It was awarded to the women's national champion Team for the first time in 2009. In the interim, the Abby Hoffman Cup was presented both to the top women's senior hockey Team and the top women's Club Team in Canada.

ESSO CUP

Esso has long been a supporter of women's hockey and of Hockey Canada, dating back to its long-time involvement with the now-defunct Esso Women's Nationals.

Appendix - Junior A Supplement

When two players are fully engaged in a fight or wrestling on the ice (each equally involved), the result will be that both players will be assessed a Major penalty plus a Game Misconduct for fighting and both are ejected from the game.

However, the rules specifically state that one player may be assessed a Major plus a Game Misconduct for fighting and the opposing player a Minor for roughing or perhaps not assessed any penalty. In this case, the player receiving the Major penalty would also receive an extra Minor penalty as instigator as well as being ejected from the game.

In the event that one player makes no attempt to retaliate other than to protect or defend himself, and in the opinion of the referee does not engage in the fight, one player may be assessed a Major penalty plus a Game Misconduct for fighting and the opposing player a Minor for roughing or perhaps not assessed any penalty. In this case the player receiving the Major penalty would also receive an extra Minor penalty as instigator.
