Hockey Canada's 2024-25 Annual Report contains information and statistics from July 1, 2024 to June 30, 2025, covering the organization's fiscal year.

MESSAGES FROM HOCKEY CANADA

MESSAGE FROM THE CHAIR OF THE BOARD

On behalf of Hockey Canada, thank you to everyone involved with our National Winter Sport for your efforts in the 2024-25 season.

In the last few years, Hockey Canada has undergone a significant transformation that has required the buy-in and action of Canadians involved with the game across the country, and we are already beginning to see the benefits of many of these changes.

We are extremely encouraged that national registration numbers have increased for four consecutive seasons and that a record-setting number of women and girls are playing, coaching and officiating in sanctioned hockey, and expect those numbers to continue to grow in the coming years.

On the ice, we are proud that Canada claimed the inaugural 4 Nations Face-Off, our National Men's and Women's Under-18 teams won their respective IIHF world championships and our National Women's Team won the Rivalry Series for the fourth year in a row.

And off of it, we continued to invest in better understanding what our participants need from us to have a safe, welcoming and inclusive hockey experience, both at the grassroots and high-performance levels.

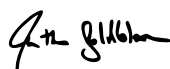

As part of those efforts, in November 2024 we hosted the second annual Beyond the Boards Summit, which was a two-day session led by subject-matter experts and individuals with lived experiences to better understand deep-rooted issues that are detracting from participants having positive experiences in hockey.

Throughout this initiative, we heard from Canadians who are on the collective journey with us towards a healthier hockey, as it's critical to ensure their perspectives and experiences are reflected in what we believe in, and we thank them for their input.

It is such an important juncture for sport in Canada, and we certainly do not take for granted the opportunity and privilege we have to unite Canadians from coast to coast to coast through our National Winter Sport.

Whether you are a player, coach, official, volunteer, administrator or fan, we thank you for the role you play in growing hockey in Canada and wish you all the best this season.

Sincerely yours,

Jonathan Goldbloom
Chair of the Board

MESSAGES FROM HOCKEY CANADA

MESSAGE FROM THE PRESIDENT AND CHIEF EXECUTIVE OFFICER

As I finish my second season with Hockey Canada, it is hard to believe the considerable progress that we have made towards a healthy, well-governed and robust game that unites generations of Canadians around a shared love of hockey.

And we are making that progress during a very exciting time for our National Winter Sport.

Since 2022, we have experienced a 30% growth in women and girls playing the game and 12% with men and boys, and continue to see greater retention of participants across the country, including those who identify as Black, Indigenous or Persons of Colour.

Internationally, Canada remains one of the strongest countries in men's, women's and para hockey.

Last season, our National Men's and Women's Under-18 teams won their respective IIHF world championships, Canada claimed the inaugural 4 Nations Faceoff and our National Women's Team won the Rivalry Series for the fourth year in a row.

The National Women's Team also took home silver medals at the 2025 IIHF Women's World Championship, as did our National Para Hockey Team at the 2025 World Para Hockey Championship.

And to further strengthen the relationship between our organization and national teams, we launched a new National Team Athlete Committee that features eight current and former high-performance athletes and is empowered to make recommendations to Hockey Canada on issues that impact their fellow athletes.

With the 2026 Olympic and Paralympic Winter Games in Milano Cortina only a few months away, we are confident that our national teams will continue to represent our country with tremendous pride, as millions of Canadians cheer them on from home.

We also heard from Canadians as we recently introduced our new purpose, vision, mission and values, which you will see in this year's Annual Report and reflect where we are headed as an organization, a sport and community.

Throughout this initiative, we heard from Canadians who are on the collective journey with us towards a healthier hockey, as it's critical to ensure their perspectives and experiences are reflected in what we believe in, and we thank them for their input.

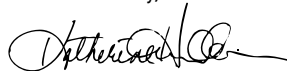

As we look to the Games and beyond, our Board, Members and staff are working diligently to deliver on the priorities that we are committed to advancing for all Canadians, including:

- Reimagining the Canadian Development Model;
- Creating priority around the growth of Women's and Girls' Hockey;
- Better understanding Infrastructure and the Facilities situation in Canada as a factor in continued growth and accessibility of the game, and having a plan to address the same;
- Financial Sustainability to fund our sport's bright future;
- Providing positive Hockey Experiences that keep everyone playing or involved in the game for longer;
- And giving Canadians unity, pride and inspiration through Performance Excellence.

Throughout the Annual Report, you will see the progress that we've made to address a number of these priorities, and we will continue to update Canadians on our progress towards a healthier hockey for all.

We hope to hear you sing O Canada many, many times this upcoming season, and thank you for your support of Hockey Canada.

Yours in Hockey,

Katherine Henderson
President and CEO

WHO IS HOCKEY CANADA

As the national governing body for hockey, Hockey Canada is entrusted with growing and advancing the game from coast to coast. Working in close partnership with our 13 Members and key stakeholders like the Canadian Hockey League, U SPORTS, and community partners, we enable a positive hockey ecosystem that supports the delivery of hockey at every level.

From local rinks to the world stage, we are redefining what it means to succeed in hockey. That means elevating grassroots development, building inclusive and safe environments, and supporting high-performance athletes who proudly represent Canada in international competition, including IIHF World Championships and the Olympic & Paralympic Winter Games.

But our role goes beyond medals and scoreboards. We're here to help every participant, regardless of age, background or skill level, discover their own version of success. Whether it's learning to skate, building off ice skills, or forming lifelong friendships, we know that the impact of hockey extends far beyond the ice.

Hockey Canada is building a vibrant, united, values-driven hockey community and, together with our Members, staff, volunteers, and partners, we are setting a new standard for hockey both on and off the ice.

OUR PURPOSE

To unite generations of Canadians around a share love of hockey.

OUR VISION

Set the global standard for sport, both on and off the ice.

OUR MISSION

By enabling a world-class hockey ecosystem and culture that inspires greatness in Canadians.

OUR PROMISE

Redefining Gold. This means working together to set a new standard – on the ice, in the office, and in every community we serve. It means aiming for excellence in everything we do, supporting each other and making sure that success is defined not just by medals, but by the impact we have and the values we live every day.

WHO IS HOCKEY CANADA

OUR VALUES

FUN

A love of the game is essential to keeping participants on the ice and developing – as players and people. We ensure the hockey experience is fun, and we stay humble and open to new and better ideas for making hockey better.

INCLUSION

Every Canadian, regardless of background, ability or identity, deserves to have a place in the game. The hockey experience gives Canadians the ability to participate authentically, and we help create a sense of belonging to the hockey community.

INTEGRITY

Unwavering honesty, beyond-reproach ethics, transparency and accountability are critical pieces of what we do. We work to uphold the integrity of the game and maintain the dignity of those who participate in it.

AMBITION

Healthy ambition fuels our relentless pursuit of success. It pushes us to innovate, collaborate, compete and inspire others. We want to exceed the expectations of Canadians by never being complacent and continuing to evolve the game and our organization.

FAIR PLAY

Fair play is the cornerstone of true sport. Our commitment reflects our dedication to creating environments where everyone has an equal chance to succeed. We are committed to building a hockey culture that inspires and empowers, fosters community and elevates the spirit of healthy competition.

EXCELLENCE

Excellence drives us towards continuous improvement, innovation and inspiration. We want to foster environments within the game where participants can aspire to reach their fullest potential, through dedication, discipline and teamwork.

BOARD OF DIRECTORS

The members of the Hockey Canada Board of Directors come from all walks of life and from all corners of this country, yet they all have one thing in common – they are custodians of the game who want nothing more than for hockey to prosper.

The board helps develop a comprehensive plan to grow the game on a local and national level, and is composed of volunteers who graciously devote their time and energy to the betterment of the game from coast to coast to coast.

MAY

Canada's National Men's Under-18 Team wins gold medal at 2025 IIHF U18 Men's World Championship in Frisco and Allen, Texas • Calgary Canucks win 2025 Centennial Cup, presented by Tim Hortons, Canada's National Junior A Championship, in Calgary, Alberta • Canada's National Men's Team finishes in fifth place at 2025 IIHF World Championship in Stockholm, Sweden and Herning, Denmark • Canada's National Para Hockey Team gets silver medal at 2025 World Para Hockey Championship in Buffalo, New York

JUNE

Hockey Canada Spring Congress hosted in Montreal • Sidney Crosby, Nathan MacKinnon, Cale Makar, Connor McDavid, Brayden Point and Sam Reinhart are first six players named to Canada's Men's Olympic Team • Marie-Philip Poulin named IIHF Female Player of the Year • Western Canadian Development Model pilot project expands scope for 2025-26 season • Alan Millar hired as general manager of Program of Excellence • 16 Canadians selected at 2025 PWHL Draft • Dan Coles, Matthew Fergenbaum, Fraser Lawrence, Vanessa Stratton and Sean Tobin named to Hockey Canada Officiating Program management group • Misha Donskov hired as vice-president of hockey operations and men's national teams coach • Jennifer Botterill, Duncan Keith, Danièle Sauvageau and Joe Thornton elected to Hockey Hall of Fame • 85 Canadians selected at 2024 NHL Draft • Hockey Canada announces 2.4% growth in participation, including record 115,000 women and girls

EVENTS AND PROPERTIES

In the 2024-25 season, Hockey Canada hosted seven tournaments, two Rivalry Series games and one IIHF world championship in seven Canadian provinces, welcoming over 50,000 fans at our domestic tournaments, and over 300,000 at the World Junior Championship:

- 2024 National Women's Under-18 Championship (Quispamsis, NB)
- 2024 World Under-17 Hockey Challenge (Sarnia, ON)
- 2024 Para Hockey Cup (Charlottetown, PEI)
- 2024 World Junior A Hockey Challenge (Camrose, AB)
- 2025 IIHF World Junior Championship (Ottawa, ON)
- 2025 Rivalry Series (Halifax, NS and Summerside, PEI)
- 2025 Esso Cup (Lloydminster, AB)
- 2025 TELUS Cup (Fraser Valley, BC)
- 2025 Centennial Cup, presented by Tim Hortons (Calgary, AB)

Community and social impact was at the forefront of all events hosted in Canada, which included:

- Hosting a Canadian citizenship ceremony ahead of the 2025 IIHF World Junior Championship
- Offering New Canadian and Indigenous ticket donation programs at multiple events
- Achieving gold level certification following a thorough sustainability certification process at the 2025 IIHF World Junior Championship
- Providing players of the game with Indigenous painted sticks

As legacy, more than \$300,000 was invested into the host communities to drive projects that reduce the barriers to play hockey, enhance infrastructure and build local capacity.

BUSINESS DEVELOPMENT AND PARTNERSHIPS

2024-25

PREMIER PARTNERS

INTERNATIONAL PARTNERS

NATIONAL PARTNERS

HOCKEY OPERATIONS

Canadian athletes went across the country and around the world during the 2024-25 season, with tremendous results. A pair of world titles made their way to the Great White North, both at the U18 level; Canada's National Women's Under-18 Team returned to the top of the podium for the third time in four years at the IIHF U18 Women's World Championship, while Canada's National Men's Under-18 Team won back-to-back gold medals for the first time ever at the IIHF U18 Men's World Championship. And let's

not forget the historic triumph at the 4 Nations Face-Off, where Connor McDavid's overtime winner in the championship game ignited cross-country celebrations that rivalled Vancouver 2010.

Perhaps most importantly, the 267 players who wore red and white were tremendous ambassadors for Canada's game, a testament to the work done by Hockey Canada's 13 Members and thousands of minor hockey associations from coast to coast to coast.

RESULTS

HOCKEY DEVELOPMENT

Minor hockey associations across the country are comprised of players, coaches, officials, safety personnel and administrators who combine to make up a rich and diverse hockey development system in Canada. Our development programs, the Hockey Canada Officiating Program, Hockey Canada Safety Program, National Coach Certification Program, and Player and Officiating Pathways all continue to serve as a catalyst for growing the

game. Hockey Canada and our Members have made significant improvements in the delivery of our education, officiating and coaching programs and remain committed to ensuring a safe, inclusive and meaningful experience for all involved. Over the last year, we have also continued the implementation with our Members of comprehensive age- and skill-appropriate pathways for players and officials.

HOCKEY UNIVERSITY

This online education program continues to serve as an excellent educational resource for more than 68,500 volunteers on an annual basis. Coaches, officials and safety personnel rely on the platform to equip them with the skills and resources to be the best they can be.

* The Hockey Québec Sports School/Skills Academy model has been in place for more than 30 years in the Québec school system. Along with the Sport Étude and U18-U15-U13 programs through Hockey Québec, Hockey Canada Skills Academy programs continue to demonstrate an excellent example of academic and athletic pursuits within the school system.

GROWING THE GAME

GROWING THE GAME

Using research and data to support strategic initiatives in collaboration with Members, Hockey Canada focuses on the recruitment and retention of grassroots hockey players from coast to coast to coast. Working with existing audiences, new audiences and audiences representing equity deserving groups, the goal is to create inclusive opportunities to ensure hockey is a fun and lifelong passion for everyone.

In 2024-25, Hockey Canada and its Members hosted over 450 programs / events with almost 24,000 participants focused on growing the game.

INITIATIVES & PROGRAMS

ESSO FUN DAYS

Esso Fun Days is a program that was established in 1998. Since then, over 900 Esso Fun Day programs have helped 28,575 participants step on the ice for the first time. The purpose of Esso Fun Days is to create a safe and fun environment for girls and women new to hockey to try the sport for the first time. Players of any age get on the ice and learn the basic skills and rules to give them the confidence to register in a hockey program upon completion of the event. Esso Fun Days are free of charge in an effort to remove barriers to participation and entry into the sport.

2024-25 EVENTS: 53 | PARTICIPANTS: 1,975

IIHF WORLD GIRLS' ICE HOCKEY WEEKEND

The goal of this annual grassroots initiative is to host events globally, and, in Canada, from coast to coast to coast that recruit, retain and engage girls and women as players, coaches, officials and fans. Since 2011, Canada has connected with over 143,550 participants through more than 1,820 events.

2024-25 EVENTS: 65 | PARTICIPANTS: 12,050

NHL/NHLPA FIRST SHIFT

In collaboration with Bauer, the National Hockey League and the National Hockey League Players' Association, the NHL/NHLPA First Shift program is designed to ensure an accessible, affordable, safe and fun experience for new-to-hockey families. Since 2014, more than 61,000 children have tried hockey through this amazing program that includes full head-to-toe Bauer equipment, a six-week on-ice trial and opportunities to make new friends.

2024-25 EVENTS: 222 | PARTICIPANTS: 8,251 (3,403 girls / 4,835 boys / 5 non-binary / 5 prefer not to say / 3 not captured)

PATHWAY TO HOCKEY

Launched during the 2023-24 season, the Pathway to Hockey program is designed to support Members or Local Hockey Associations running a variety of initiatives designed to introduce children to hockey that are not currently registered on a team. Hockey Canada provides complimentary insurance coverage for participants in all approved programs, which include both on- and off-ice activities such as ball hockey, floorball, learn to skate, learn to play, try hockey, etc.

2024-25 EVENTS: 118 | PARTICIPANTS: 1,960 (722 girls / 1,226 boys / 11 prefer not to say / 1 not captured)

GROWING THE GAME

INITIATIVES & PROGRAMS

IIHF TRY HOCKEY PILOTS

In collaboration with the IIHF, Hockey Canada conducted a number of “Try Hockey” pilot projects with Local Hockey Associations and Members from across the country in the 2023-24 and 2024-25 seasons. These pilots were designed to make the game more inclusive and accessible through initiatives outside our traditional offerings, with a focus on equity deserving groups, new Canadians, the BIPOC community, girls and late-entry participants.

2024-25 EVENTS: 7 | PARTICIPANTS: 238 (94 girls / 121 boys / 23 not captured)

POND TO PODIUM DEVELOPMENT SERIES

The Pond to Podium Development Series is an initiative that provides opportunities and insights for coaches and players to access behind-the-scenes activity with national team coaches and players. These consist of in-person activities, exclusive educational opportunities and virtual experiences. In 2024-25, a number of webinars were held with over 1,800 participants as well as a variety of content (drills, skills, etc.) shared through social media and the Hockey Canada Network App.

SPORT INTEGRITY

OUR COMMITMENT TO PARTICIPANT SAFETY

Hockey Canada remains steadfast in our commitment to fostering environments where safety is not merely an aspiration but a fundamental right for all participants. We recognize that creating and maintaining safe spaces is a shared responsibility that extends across our entire community—from leadership and staff to volunteers, coaches, officials, and participants themselves.

Our dedication goes beyond compliance: it represents a cultural

transformation toward environments that actively promote safety, strength, resilience, and self-confidence. We are committed to protecting the holistic well-being of every individual who participates in our programs, safeguarding their mental, physical, emotional, spiritual, and authentic well-being. This comprehensive approach ensures that participants can engage fully and authentically without fear of harm or maltreatment.

THE SPORT INTEGRITY FRAMEWORK: OUR STRATEGIC FOUNDATION

At the heart of our sport integrity initiatives lies our comprehensive Sport Integrity Framework—a strategic blueprint that embodies our unwavering commitment to creating positive, healthy, and safe sporting environments. This framework represents more than a set of guidelines: it is our roadmap for systemic change and continuous improvement.

The framework encompasses four critical pillars of action:

1. **Policy Development and Implementation:** Establishing clear, evidence-based policies that set expectations and provide consistent guidance across all levels of our organization.
2. **Education and Awareness:** Delivering comprehensive training and educational programs that empower participants, staff, and volunteers to recognize, prevent, and respond to integrity issues.

3. **Reporting and Response Systems:** Maintaining robust, accessible mechanisms for reporting concerns while ensuring fair, timely, and effective resolution processes.
4. **Advocacy and Leadership:** Championing sport integrity initiatives within our organization and across the broader sporting community, leading by example in the pursuit of cultural change.

To ensure accountability and measure our progress effectively, the organization has established clear, measurable objectives tied to each pillar of the framework. These metrics enable us to track our advancement, identify areas requiring additional focus, and demonstrate our commitment to continuous improvement.

SPORT INTEGRITY

KEY ACHIEVEMENTS AND INITIATIVES

ENHANCED SCREENING AND BACKGROUND VERIFICATION

Hockey Canada's multi-layered screening approach includes enhanced police information checks, vulnerable sector checks, social media screenings, international background verifications, comprehensive screening disclosure forms, and driver's abstract reviews. The specific requirements are carefully tailored to match the roles and responsibilities of each individual being screened.

In the past year alone, the organization successfully screened approximately 2,500 individuals, representing a substantial commitment to participant safety. This initiative was further strengthened by the Board's adoption of a new national screening policy, ensuring consistency and comprehensiveness across all screening activities.

INDEPENDENT THIRD PARTY COMPLAINT MANAGEMENT

For the third consecutive year, our Independent Third Party (ITP) has successfully facilitated complaint management processes for all sanctioned programming below the national level. This independent mechanism has proven invaluable in providing participants with a safe, confidential avenue to report concerns and seek resolution.

The ITP has generated substantial data and insights regarding the prevalence of maltreatment in sanctioned hockey, contributing to our understanding of systemic issues and informing our prevention strategies. Detailed analysis of this data and its implications can be found on the ITP website in quarterly and annual reports. Further, for additional information about national level third-party complaint management systems and on-ice maltreatment incidents, please refer to our annual Maltreatment Report.

To ensure the continued effectiveness of this critical service, the organization commissioned an independent review of the ITP mechanism. The review concluded that the system is functioning effectively and achieving its intended outcomes. Based on the review's recommendations, we have implemented targeted improvements to ensure we continue to offer best-in-class complaint management services.

RESPONSIBLE COACHING MOVEMENT

Demonstrating our commitment to coaching excellence and participant safety, the organization formally adopted the Responsible Coaching Movement (RCM). This pledge represents our dedication to promoting coaching practices that prioritize participant development, safety, and well-being while maintaining the highest ethical standards.

TRANSITION TO NEW NATIONAL SAFE SPORT MECHANISM

In alignment with evolving best practices in sport integrity, the organization successfully transitioned from the Office of the Sport Integrity Commissioner (OSIC) to the Canadian Safe Sport Program (CSSP). This transition reflects our commitment to leveraging the most current and effective resources available to support our sport integrity objectives, alignment with national level maltreatment complaint management requirements, and to ensure participants have access to comprehensive support services.

LOOKING FORWARD

Our sport integrity journey represents an ongoing commitment to holistic safety. The achievements highlighted in this report demonstrate significant progress, but we recognize that building and maintaining a culture of integrity requires sustained effort and continuous evolution.

As we move forward, we remain dedicated to strengthening our Sport Integrity Framework, expanding our educational initiatives, and ensuring that every participant in our programs can pursue their sporting goals in an environment that celebrates their potential while protecting their well-being.

CULTURE, INCLUSION AND DIVERSE COMMUNITY RELATIONS

Hockey Canada envisions a hockey ecosystem where inclusion is not an initiative, but a lived reality woven into every aspect of the game, from grassroots to governance. As part of that work, we continue to use our platforms for social impact and influencing a culture that is reflective of the diverse communities across our nation, ensuring that equitable opportunities for participation are available for people of all backgrounds.

Of note during the 2024-25 season, Hockey Canada:

- Hosted the second Beyond the Boards summit in Ottawa, convening 120 attendees involved in hockey and sport to focus on the outcomes of unhealthy hockey culture.
- Conducted four comprehensive Equity, Diversity and Inclusion (EDI) learning sessions for staff and EDI leads from the 13 Members, with over 90% of staff indicating that they feel the organization has done a good job of advancing inclusion.
- In collaboration with external subject matter experts, and with funding from the Hockey Canada Foundation, hosted a grassroots para hockey workshop during the 2024 Para Cup, which brought together 60 key stakeholders involved in para and adaptive hockey across Canada to address the current state of para hockey and identify gaps within the system that can be addressed to foster growth.
- Participated in both Toronto and Calgary Pride 2024 with You Can Play, the Canadian Olympic Committee and the Canadian Paralympic Committee.
- Piloted a new learning and development education program with five Members focused on evolving the culture of hockey.
- Supported initiatives to advance the organization's commitment to the Truth and Reconciliation Commission Calls to Action in Sport, including:
 - Indigenous inclusion in sport events by ensuring that Indigenous Peoples are equal partners in the bidding, planning and delivery of events organized by Hockey Canada, including the 2025 IIHF World Junior Championship, Esso Cup, TELUS Cup and Centennial Cup, presented by Tim Hortons.
 - Continued support and sanctioning of the 2025 National Aboriginal Hockey Championship, which annually helps foster cultural unity and pride by celebrating the athletic abilities of Indigenous players across the country.

Hockey Canada continues to advance actions identified from the EDI Path Forward that was launched in August 2023 and detailed our ongoing efforts to drive sustainable change within the hockey community in Canada.

At the end of the 2024-25 season, 36 items from the EDI Path Forward had been completed or in progress of being complete, and we are currently at the proactive status based on the Global Diversity, Equity and Inclusion Benchmarks.

With support from Sport Canada, Hockey Canada continued work on a two-year grant to ensure that our language for Hockey Canada programs, leagues, championships and events is consistent and reflective of present-day language related to gender and gender identity. The project was also piloted with three Members.

Funding from the Hockey Canada Foundation provided training opportunities with Hockey Canada's 13 Members to support awareness and implementation of the Gender Expression/Gender Identity Policy and created an updated eLearning Course in Ontario dedicated to better understanding Gender Expression & Gender Identity.

Hockey Canada also is a contributing member of the United Nations Eradicate Hate Global Summit Sports Working Group, which works to marshal the unifying principles and influence of sport to counter hate speech and advocate for respect, inclusion and hate-free communities.

CULTURE, INCLUSION AND DIVERSE COMMUNITY RELATIONS

HOCKEY CANADA WORKFORCE DEMOGRAPHICS – 2024-25

Our workforce is a key driver that helps us live our mission – to lead, develop and promote positive hockey experiences. Hockey Canada provides all employees the opportunity to voluntarily self-disclose demographic information through our safe and secure human resource management system. All information is confidential and is only accessible by select employees within Hockey Canada's People, Culture and Inclusion department. This

data helps inform a variety of recruitment and hiring initiatives to support the organization in being reflective and responsive to the communities we serve.

Compared to the previous year, Hockey Canada increased its numbers of employees who identify as women, including at the executive, director and manager levels in 2024-25.

ROLE	MEN (%)	WOMEN (%)	PREFER NOT TO DISCLOSE (%)	NON-BINARY (%)

HOCKEY CANADA FOUNDATION

The Hockey Canada Foundation is a registered non-profit that works alongside Hockey Canada to provide secure, sustainable, long-term funding to support the future of the game. In partnership with generous donors, the Foundation has raised over \$13 million since 2009, including \$6.9 million in legacy funding.

The Foundation recognizes the powerful role hockey plays in teaching life lessons and instilling values that make Canadians unique. As Canada becomes more diverse, many new Canadians

are unfamiliar with the game. At the same time, increased screen time and sedentary lifestyles mean fewer social interactions. Giving kids the chance to play gets them active and helps build teamwork and confidence.

We believe anyone who wants to play hockey should be able to. That's why the Foundation supports programs that remove barriers to participation.

OUR VISION

Canada's premier amateur sports foundation.

OUR MISSION

Provide needed financial support that will remove barriers and grow the game, ensuring success on and off the ice.

The Foundation provides grants to Hockey Canada programs aligned with our mission. In 2024-25, we granted over \$1.34 million to initiatives that eliminate barriers and grow the game, including \$793,000 dedicated to women's and girls' hockey.

We are proud to enable access through three flagship programs:

ASSIST FUND

Created to help families facing financial challenges, the Assist Fund offers up to \$500 per player in registration fee subsidies. To date, over 10,711 players have received support, with 34% of assists going to families from Black, Indigenous, and racialized communities.

2024-25 ASSISTS: 2,211

DREAMS COME TRUE

Dreams Come True brings hockey to kids who might not otherwise get the chance to play. Events across Canada have welcomed over 1,810 participants, providing full equipment, registration subsidies, and basic skill-building—all in a fun, inclusive environment.

**2024-25 EVENTS: 1
PARTICIPANTS: 30**

HOCKEY IS HERS

Through Hockey is Hers, the Foundation helps more girls and women access and stay involved in hockey. We support programs focused on participation, retention, coaching and officiating development, and high-performance initiatives, including Canada's National Teams. Our goal: equity for women and girls at every level.

BRAND & COMMUNITY ENGAGEMENT

Hockey Canada wants to cultivate a connected and inclusive hockey community by engaging fans and participants across the country and around the world. Through our digital platforms and social media channels, we celebrate the journey of the game, from local rinks to international stages, and from Timbits players and coaches to Team Canada athletes and staff.

Our focus is on building meaningful connections through dynamic content, consistent game coverage and storytelling that reflects the diversity, passion and pride found across Canada's hockey landscape. By expanding our reach and deepening this engagement, we not only strengthen the bond Canadians have with the game but also create greater visibility and value for our Members, partners and the broader hockey ecosystem.

FINANCE

Hockey Canada has five components to its financial statement fund structure: the Operating Fund, the Insurance Fund, the Uninsured Risk Fund, the International Event Hosting Support Fund, and the Strategic Plan Fund. Each Fund is governed by policies approved by the Hockey Canada Board of Directors.

The following summarizes the use of these funds:

SOURCES OF FUNDING

OPERATING

- Grass roots programming
- National events
- National teams
- Sport safety
- Sponsorship
- Licensing
- Government funding
- Including Sport Canada and Own the Podium
- Hockey Canada Foundation grants
- Funding agency donations
- Broadcast rights
- Member assessment fees and investment income

INSURANCE

- Insurance fees and premiums
- Paid by Members and investment income

UNINSURED RISK FUND

- Uninsured claims not covered by an active insurance policy
- Fund balance set by Management and approved by the Board
- Any changes to the fund balance recommended by Management and approved by the Board
- Any settlements of uninsured claims are subject to review by the Risk Management Committee with a recommendation for settlement sent to the Board for approval

INTERNATIONAL EVENT HOSTING SUPPORT FUND

- International events including the IIHF World Junior Championship, IIHF Women's World Championship, World Para Hockey Championship, Hlinka Gretzky Cup, and investment income

STRATEGIC PLAN FUND

- Supporting Member organizations for initiatives that are national in scope
- Funding current and future technologies
- Initiatives to support increasing the membership base across the country
- Net proceeds from strategic, long-term initiatives and investment income

Financial statements for the year ended June 30, 2025 are posted on HockeyCanada.ca. This practice began in December 2022 when Hockey Canada, for the first time in its history, posted its year-end financials in an effort to increase transparency.

INSURANCE & RISK MANAGEMENT

Hockey Canada places great importance on mitigating risk to create healthy and safe environments for our Registered Participants. Effective risk management requires all our participants in sanctioned programming to play specific roles to reduce or prevent accidents or injuries before they occur.

Insurance is an important part of our risk management framework and is procured based on what is practical, possible and cost-effective. Hockey Canada has engaged insurance carriers who understand the needs of our organization for policy coverage in the areas of commercial general liability, directors and officers' liability, and accidental death and dismemberment coverage.

1

COMMERCIAL GENERAL LIABILITY INSURANCE

\$11.58 PER PARTICIPANT

The Hockey Canada Commercial General Liability Insurance coverage is designed to respond on behalf of any Registered Participant for their on-ice and off-ice activities while participating in Hockey Canada or Member sanctioned activities. The policy is a personal injury and property damage policy.

2

DIRECTORS & OFFICERS LIABILITY INSURANCE

\$5.44 PER PARTICIPANT

This policy covers the directors and officers of all minor hockey associations, junior teams, Members and Major Junior teams and leagues for their exposure to legal action arising from alleged wrongful acts, which they are believed to have committed while on the board of directors of one or more of these organizations

3

ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE

\$4.62 PER PARTICIPANT

The Hockey Canada Accidental Death & Dismemberment Insurance provides coverage to its limits for very serious, permanent injuries that might occur while participating in a Hockey Canada or Member-sanctioned activity. This coverage is in addition to any other valid and collectable insurance policy.

Separate from the above-referenced insurance policies, Hockey Canada provides Major Medical/Dental secondary compensation at a rate of \$2.15 per Registered Participant. This secondary compensation has specified limits and provides additional medical and dental compensation to Registered Participants after they have exhausted the limits of their private insurance.

In addition to insurance, our risk management strategy includes working with our Members to emphasize the safety of the athlete, clarity of rules and policies, and respect in the game. By continuing our efforts in these areas, the game will be safer for all Registered Participants.
