THE GALA

Join us for the inaugural virtual gala in support of the Hockey Canada Foundation's flagship program
– The Assist Fund.

While it's our first year going digital, the Gala has been the marquee fundraiser for the HCF since 2003.

In the decade spanning 2009 to 2019, the Hockey Canada Foundation contributed more than \$4.4 million in net proceeds to various projects in Canadian communities, allowing the game to continue to grow and prosper from coast to coast to coast.

ORDER OF HOCKEY IN CANADA

ORDRE DU HOCKEY AU CANADA

A cornerstone component of the HCF Gala is celebrating the Distinguished Honourees of the Order of Hockey in Canada.

This year presents a unique opportunity to double down on the celebration as we will be recognizing the Order honourees from both 2020 and 2021.

Recipients include:

2020

Ken Dryden
Sheldon Kennedy
Dr. Charles Tator

2021

Bill Hay
Angela James
Kevin Lowe

ASSIST FUND | FONDS D'AIDE

The Gala is a key component in the Foundation's ongoing goal to secure sustainable, long-term funding to support the future development of the game through Hockey Canada programs.

Additionally, the HCF is looking to scale up the impact and reach of the Assist Fund in response to the ongoing economic fluctuations experienced by Canadians across the nation.

WHY ATTEND?

From meeting their hockey heroes to eating dinner on the ice surface of an arena, the HCF has heard all sorts of reasons for why its dedicated donor base makes an effort to attend this event year after year.

Our key stakeholders have shared the top three reasons why they attend the Gala.

* A SkipTheDishes voucher will be provided for you to order dinner for two from your favourite local establishment.

CELEBRATE

After dinner, sit back and enjoy as we celebrate our game, including the gold medal-winning 2020 National Junior Team and the six Distinguished Honourees of the Order of Hockey in Canada for 2020 and 2021.

WHAT'S THE IMPACT?

The Hockey Canada Foundation Assist Fund works daily to make hockey more by helping young Canadians experience the power of play through Canada's game.

The Assist Fund provides up to \$500 per player in registration fee subsidies, and 100% of all donations go to supporting access to hockey for young Canadians.
