18 DEVELOPMENT PROGRAM / COACH LICENSING

VISION: WORLD SPORTS LEADERS

WHY INSTRUCTIONAL STREAM?

This allows Hockey Canada /
Branches to develop the various
levels within each
stream to:

Similar to a
pitching coach in
baseball or
quarterback coach
in football

- 1) Train the trainers on how to teach the coaches
- 2) Teach coaches how to teach their players
- 3) Develop a level system in which qualified instructors / programs can become certified and gain a licensed status as **Official Hockey Canada Licensed Skill Developers.**

WHY INSTRUCTIONAL STREAM?

Hockey Canada / Member Branches want qualified people who can not only demonstrate the skills but explain them to our minor hockey coaches

- 1) Recruit quality people to deliver on and off ice material
- 2) Attend National / Branch Training Seminar
- 3) Deliver Clinics to Coaches and Minor Hockey Associations

INSTRUCTIONAL STREAM CLINICS

This new stream *trains* and *certifies*:

- It *trains* coaches who want to learn more about teaching skills
- It provides participants with certification maintenance or professional development points
- It *certifies* people who want to teach specific hockey skills such as skating or defence to coaches and players

Resources for each clinic Include:

- Power point with drills and video embedded for the instructor
- Clinic handout with on ice plan that includes linked video for participants
- Drill Hub and Hockey Canada Network Skill links

INSTRUCTIONAL STREAM CLINICS

The NCCP Instructional Stream is
based on 7 current topics

- Skating
- Skills
- Developing Defencemen
- Checking Skills
- Goaltending
- Shooting and Scoring
- Small Area Games

The skills are taught in a progressive manner
that build from skills to individual tactics to
team tactics required in each area

- ❖ Each Skill Stream has 3 levels – 1, 2 & 3
- ❖ Participants, must take Level 1, before Level 2 and Level 2 before Level 3
- ❖ Each Level 1 Clinic is approx. 1.5 hours in class and 1.5 hours on ice
- ❖ Each Level 2 Clinic is approx. 2 hours in class and 2 hours on ice
- ❖ **Level 3 (Certification Clinic) is a 5 day clinic held annually in July**

- Hockey Canada will lead this program through the **NCCP Instructional Stream Model**. A Branch can recommend or endorse a program / individual but only programs that meet all requirements and apply to be a Hockey Canada Skill Development licensee will gain National status.

DEVELOPMENT PROGRAM / COACH LICENSING

Program Objectives:

- Attract programs / individuals who are interested in becoming a licensed development program
- Educate those programs / individuals on all Hockey Canada and Branch programs and the teaching of skills and development to MHA's / Coaches / Players
- **Train and certify in NCCP Instructional Streams**
- **Deliver approved curriculums as set out by Hockey Canada Development / Men's HP / Female HP.**
- Allow those programs / individuals to be marketed as approved development representatives of Hockey Canada and its' Branches

DEVELOPMENT PROGRAM / COACH LICENSING

Program Objectives:

- There is a need to be looking at new ways to get more expert involvement in all aspects of skill development.
- If a Branch / MHA / Coach / Player really wants to be the best – then they have to be involved with the best. The reality is that players, coaches and MHA's are going out and seeking these programs and individuals and we owe it to our membership to assist in the area of locating and promoting quality programs.

DEVELOPMENT PROGRAM / COACH LICENSING

Program Categories:

- Skating
- Skills (Puck Control / Shooting / Passing)
