18 DEVELOPMENT PROGRAM / COACH LICENSING

2018 Skills Coach Certification Class

VISION: WORLD SPORTS LEADERS

WHY INSTRUCTIONAL STREAM?

This allows Hockey Canada / Members to develop the various levels within each stream to:

- 1) Train the trainers on how to teach the coaches
- 2) Teach coaches how to teach their players
- 3) Develop a level system in which qualified instructors / programs can become certified and gain a licensed status as **Official Hockey Canada Licensed Skill Developers**.

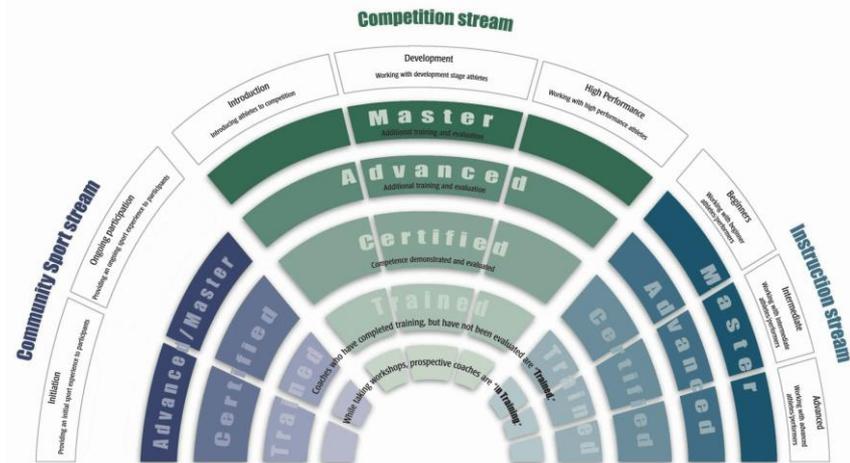

Similar to a pitching coach in baseball or quarterback coach in football

WHY INSTRUCTIONAL STREAM?

Hockey Canada / Members want qualified people who can not only demonstrate the skills but explain them to our minor hockey coaches

- 1) Recruit quality people to deliver on and off ice material
- 2) Attend National / Member Training Seminar
- 3) Deliver Clinics to Coaches and Minor Hockey Associations

INSTRUCTIONAL STREAM CLINICS

This new stream *trains* and *certifies*:

- It *trains* coaches who want to learn more about teaching skills
- It provides participants with certification maintenance or professional development points
- It *certifies* people who want to teach specific hockey skills such as skating or defence to coaches and players

Resources for each clinic Include:

- Power point with drills and video embedded for the instructor
- Clinic handout with on ice plan that includes linked video for participants
- Drill Hub and Hockey Canada Network Skill links

INSTRUCTIONAL STREAM CLINICS

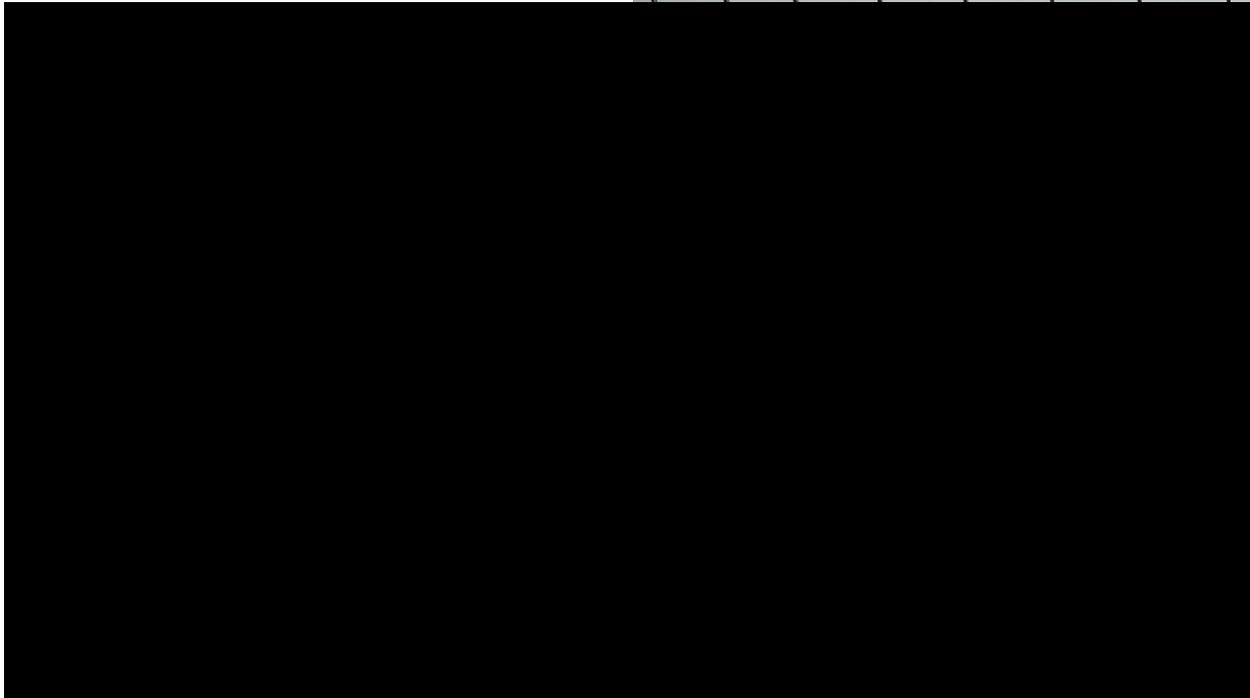

The NCCP Instructional Stream is based on 7 current topics

- Skating
- Skills
- Developing Defencemen
- Shooting and Scoring
- Small Area Games
- Checking Skills
- Goaltending

The skills are taught in a progressive manner that build from skills to individual tactics to team tactics required in each area

- ❖ Each Skill Stream has 3 levels – 1, 2 & 3
- ❖ Participants, must take Level 1, before Level 2 and Level 2 before Level 3
- ❖ Each Level 1 Clinic is approx. 1.5 hours in class and 1.5 hours on ice
- ❖ Each Level 2 Clinic is approx. 2 hours in class and 2 hours on ice
- ❖ **Level 3 (Certification Clinic) is a 5 day clinic held annually in July**

IMPORTANCE OF SKILL DEVELOPMENT

Goaltending – Level 1			Sept. / Oct.	Sept. / Oct.	Sept. / Oct.	Sept. / Oct.
Goaltending – Level 2					Nov. / Dec	Nov. / Dec
Small Area Games - 1			Sept. / Mar	Sept. / Mar	Sept. / Mar	Sept. / Mar

- ❖ Each Level 1 Clinic is approx. 1.5 hours in class and 1.5 hours on ice
- ❖ Each Level 2 Clinic is approx. 2.0 hours in class and 2.0 hours on ice

INSTRUCTIONAL STREAM - CERTIFIED

STREAM	LEVEL	AGE GROUP	TRAINING	STATUS
CERTIFIED Certified to train Level 1 and 2 clinics to coaches	<ul style="list-style-type: none"> 5 – 17 Yrs. of age Coaches 	<ul style="list-style-type: none"> Level 1, 2, & 3 clinics CAC LF Core Training 	<ul style="list-style-type: none"> Status achieved through the attendance & completion of all tasks at the Level 1, 2, & 3 clinics as well as CAC LF Core Training 	<ul style="list-style-type: none"> Certified status achieved through successful completion of: <ol style="list-style-type: none"> MED on line evaluation Written Evaluation Field evaluation

Instructor Stream - Certified Status

- Completion of Level 1, 2, 3 Instructional Stream Clinics
 - Written and Field Evaluation
- CAC - Learning Facilitator training
- Making Ethical Decisions (MED)

*The above enables an individual to teach level 1 and 2 of any Instructional Stream Clinic

**** 5 Day Clinic that takes place annually in July**

IMPORTANCE OF CERTIFICATION

Skill Instructor – Certification Comments

INSTRUCTIONAL STREAM SKILLS COACH CERTIFICATION SEMINAR

2016 Skills Coach Certification Class

2017 Skills Coach Certification Class

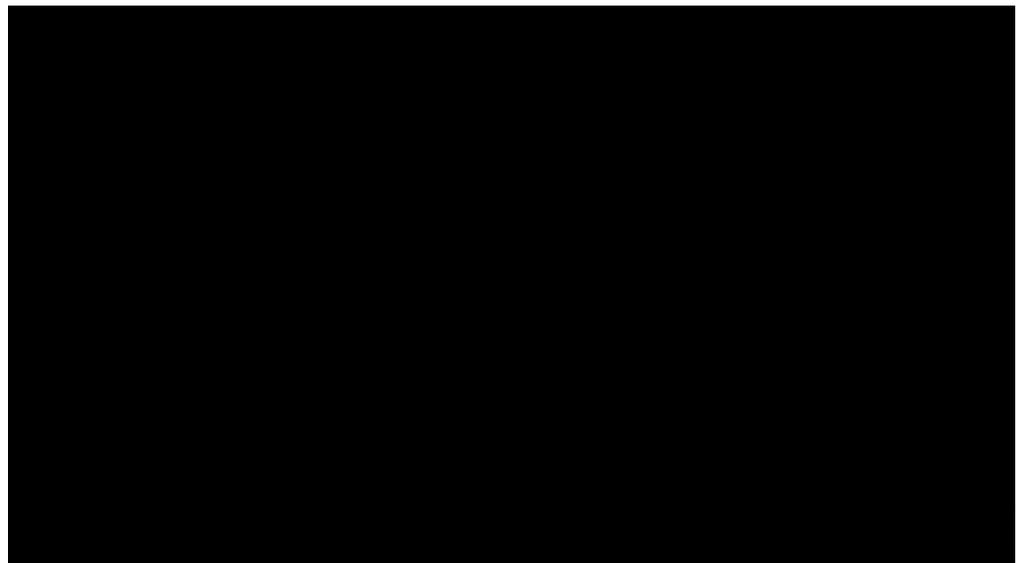

2018 Skills Coach Certification Class

CERTIFICATION SEMINAR

- ❖ Establish the “*Gold Standard*” for all hockey programming
- ❖ Collaboration / Sharing / Consistency
- ❖ Utilize experts to better train and educate coaches through practical and specific programming

Skill Instructor - Participant Comments

INSTRUCTIONAL STREAM - ADVANCED

STREAM	LEVEL	AGE GROUP	TRAINING	STATUS
ADVANCED Licensed to train Level 1, 2, & 3 players & coaches	<ul style="list-style-type: none"> Level 1, 2, & 3 clinics CAC LF Core Training 	<ul style="list-style-type: none"> 5– 20+ Yrs.- (Including U18 AAA, Junior, Pro) Coaches 	<ul style="list-style-type: none"> Status achieved through the attendance & completion of all tasks at the Level 1, 2, & 3 clinics as well as CAC LF Core Training 	<ul style="list-style-type: none"> Licensed status achieved through successful completion of: <ol style="list-style-type: none"> MED on line evaluation Field evaluation License agreement

Instructor Stream – Certified – Advanced Status

-Completion of certified status

-Meet and show advanced evidences of ability in skill performance, teaching and facilitation

***This status would be required in order to get a license as a Hockey Canada / Member Skill Development Coach**

INSTRUCTIONAL STREAM - MASTER

STREAM	LEVEL	AGE GROUP	TRAINING	STATUS
MASTER Selected to train Level 1,2, & 3 Instructors	<ul style="list-style-type: none"> Subject matter experts chosen by HC 	<ul style="list-style-type: none"> 5 – 20+ Yrs.- Including U18 AAA, Junior, Pro) Coaches Instructors 	<ul style="list-style-type: none"> Status achieved through achievements/ experience as a coach, instructor, and/ or skill developer 	<ul style="list-style-type: none"> Master status to be determined, but will include: <ol style="list-style-type: none"> MED on line evaluation Field evaluation License agreement

Instructor Stream - Master Status

- Identified as Masters in any or all Instructional Level Streams
- Identified to Train Instructors in all levels
- Required to meet CAC criteria ie MED / Learning facilitator training etc.

DEVELOPMENT PROGRAM / COACH LICENSING

Program Objectives:

- The goal is to have licensed Development programs / individuals throughout the country that are qualified, skilled and capable of running the highest quality programs on and off ice for MHA's / Coaches and Players.
- Hockey Canada will lead this program through the **NCCP Instructional Stream Model**. A Member can recommend or endorse a program / individual but only programs that meet all requirements and apply to be a Hockey Canada Skill Development licensee will gain National status.

DEVELOPMENT PROGRAM / COACH LICENSING

Program Objectives:

- Attract programs / individuals who are interested in becoming a licensed development program
- Educate those programs / individuals on all Hockey Canada and Member programs and the teaching of skills and development to MHA's / Coaches / Players
- **Train and certify in NCCP Instructional Streams**
- **Deliver approved curriculums as set out by Hockey Canada Development / Men's HP / Female HP.**
- Allow those programs / individuals to be marketed as approved development representatives of Hockey Canada and its' Members

DEVELOPMENT PROGRAM / COACH LICENSING

Program Objectives:

- There is a need to be looking at new ways to get more expert involvement in all aspects of skill development.
- If a Member / MHA / Coach / Player really wants to be the best – then they have to be involved with the best. The reality is that players, coaches and MHA's are going out and seeking these programs and individuals and we owe it to our membership to assist in the area of locating and promoting quality programs.

DEVELOPMENT PROGRAM / COACH LICENSING

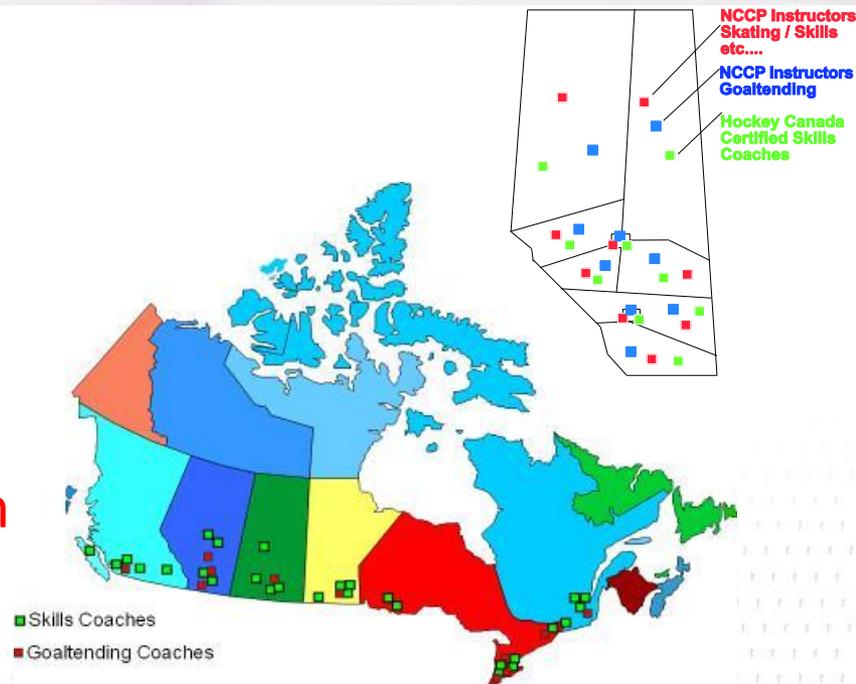

Program Categories:

- Skating
 - Skills (Puck Control / Shooting / Passing)
 - Developing Defencemen
 - Goaltending
- ** In all situations with “ In Season “ programming the licensee must also work with MHA’s and coaches and not just players.**

DEVELOPMENT PROGRAM / COACH LICENSING

- ❖ National Advisory Group
 - 1 - 2 HC / Member Branch Staff
 - 2 - 3 Skills Experts
 - 2 - 3 Skating Experts
- ❖ Licensing Program Future
 - Coverage **Across Canada**
 - Coverage **in each Member Branch**
 - Coverage **for every MHA**

DEVELOPMENT PROGRAM / COACH LICENSING

Licensing Program Includes:

- License program fee paid to Hockey Canada / Member
- Licensed program must also license / register program instructors
- Licensee could then run approved hockey schools / development skill sessions / approved spring and summer development programs and coach mentoring sessions.
- HC and Member could promote or direct MHA's / Coaches / Athletes to the program / individual for training.
- Reporting must be done back to Hockey Canada / Member

DEVELOPMENT PROGRAM / COACH LICENSING

Roles and Responsibilities – Hockey Canada

- Develop application and assessment program and to attract and approve licensee.
- Develop National training program.
- Assist Member with Member training program where applicable.
- Support Member / Licensee with development resources.
- Develop tracking and evaluation controls and protocols
- Support Licensee with logo recognition and promotion

Hockey Canada to cover costs of all additional training seminars

All coaches on ice must meet both National and Member criteria

DEVELOPMENT PROGRAM / COACH LICENSING

Roles and Responsibilities - Member

- Lead Member training with support from Hockey Canada where applicable
- Oversee Licensee to ensure program delivery is meeting Member expectations.
- Support Licensee with logo recognition.
- Promote designated licensed programs to MHA's / Coaches / Players

DEVELOPMENT PROGRAM / COACH LICENSING

Roles and Responsibilities – Licensee

- Attend National / Member required training and certification
- Deliver Hockey Canada and Member approved programming.
- Market themselves to Minor Hockey Associations / Coaches / Players in conjunction with Member and Hockey Canada
- Responsible for yearly licensee fees.
- Report back to Member with program / clinic results and numbers.
- Must make themselves available to Hockey Canada / Member programming throughout the year
- Must teach the coaches and not just players
