Hockey Canada
On-Line Hosting Resource

On-Line Hosting Resource

- Event resource for bid groups that are successfully awarded Hockey Canada events
- Intended to supplement and compliment information provided in bid guidelines & event agreements.

On-Line Hosting Resource

- Tool for event Executive Committees to breakdown and disseminate through task groups.
- Elements that range from development of an event critical path to an overview of responsibilities of a team host.

On-Line Hosting Resource

- Please note that content in generalized and to confirm the nuances specific to each event refer to the bid guidelines and event agreement.
