

## **‘SAVE THE LOGO’ PETITION CAMPAIGN**

To the Canadian Olympic Committee and Canadian Paralympic Committee:

Whereas the Vancouver 2010 Olympic and Paralympic Games are international events attracting the world’s finest athletes,

Whereas the Hockey Canada emblem is an identifiable brand that has been proudly displayed on jerseys worn by hockey and sledge hockey team members in past Olympics/Paralympics,

Whereas the Canadian Olympic Committee and Paralympic Committee have withdrawn support for Hockey Canada’s logo to be worn by hockey and sledge hockey team members for the Vancouver 2010 Olympics/Paralympics,

Whereas the withdrawal of support for the Hockey Canada logo by the Canadian Olympic and Paralympic Committees is an insult to an emblem that is a source of pride, and a symbol of achievement, tradition and cultural significance for many Canadians,

We the undersigned, as Canadians who appreciate Hockey Canada’s positive influence on the lives of millions of Canadians, petition the Canadian Olympic and Paralympic Committees to allow the Hockey Canada logo to appear on the hockey and sledge teams’ jerseys during the 2010 Olympic Games.
