GOALS:

lose the chair.

ASSISTS: You probably learned on a chair yourself. So you know the sense of accomplishment that awaits young Tyler. Precisely the reason Esso is so committed to children and hockey. We sponsor programs that help children learn to skate, compete and—should passion and destiny take them there—showcase their talents all the way to the NHL. A chair is an excellent start. But for every stride thereafter, hockey will always have Esso to lean on.

BUTS :

Lâcher la chaise.

ASSISTANCES : Vous aussi avez probablement appris à patiner en vous tenant à une chaise. Vous connaissez donc les grandes joies qui attendent Yannick. C'est pour cette raison qu'Esso s'engage à fond afin de faire aimer le hockey aux enfants. Nous commanditons des programmes qui les mènent de l'apprentissage du patinage jusqu'aux vraies parties de hockey. Et, s'ils en ont la passion et que le destin les y conduit, nous sommes là pour mettre leur talent en valeur jusqu'à la LNH. La chaise est un excellent appui initial. Mais pour chaque coup de patin qui suivra, le hockey pourra toujours compter sur l'appui d'Esso.

Ensuring our grassroots grow

What starts on a hockey rink grows into a whole way of looking at life. That's why it's so important that kids have the opportunity to take advantage of all that Canada's national sport has to offer.

It's also why RBC Financial Group is helping hockey clubs raise money for themselves in communities across the country.

Grassroots support for hockey in your community from RBC Financial Group. Watching Canada's kids grow.

Petit patineur deviendra grand

Ce qui commence par un jeu sur un carré glace peut devenir un façon d'aborder la vie en général. C'est pourquoi il est si important que les jeunes puissent profiter de tout ce que notre sport national à leur offrir.

C'est également la raison pour laquelle RBC Groupe Financier aide les clubs de hockey à collecter des fonds pour leur activités dans les diverses collectivités du pays.

RBC Groupe Financier : un appui au hockey dans votre collectivité... et un témoin de la croissance de nos enfants.
